SUPPLEMENTARY INFORMATION:

Background

Pursuant to section 10(d) of the Federal Advisory Committee Act (FACA), 5 U.S.C. App. 2, and section (c)(6) of the Government in the Sunshine Act, 5 U.S.C. 552b(c)(6), the EPA has determined that a portion of the 2015 STAA Committee meeting will be closed to the public. The purpose of the closed portion of the 2015 STAA Committee meeting is for the 2015 SAB STAA Committee to discuss draft recommendations regarding recipients of the Agency's 2015 Scientific and Technological Achievement Awards. The purpose of the open portion of the 2015 STAA Committee meeting which will occur on Friday, July 10, 2015, from 10 a.m. to 12 p.m. (Eastern Time) is to discuss administrative changes to the STAA nomination form and procedures, and the criteria for deciding which STAA nominations merit award.

The STAA awards are established to honor and recognize EPA employees who have made outstanding contributions in the advancement of science and technology through their research and development activities, as exhibited in publication of their results in peer reviewed journals. I have determined that a portion of the 2015 STAA Committee meeting will be closed to the public because it is concerned with recommending employees deserving of awards. In making these draft recommendations, the SAB requires full and frank advice from the 2015 STAA Committee. This advice will involve professional judgments on the relative merits of various employees and their respective work. Such personnel matters involve the discussion of information that is of a personal nature and the disclosure of which would be a clearly unwarranted invasion of personal privacy and, therefore, are protected from disclosure by section (c)(6) of the Government in the Sunshine Act, 5 U.S.C. 552b(c)(6). Minutes of the 2015 STAA Committee meeting will be kept and certified by the chair.

Availability of Meeting Materials

Prior to the public portion of the meeting, the agenda and other materials will be accessible through the calendar link on the blue navigation bar at <http://www.epa.gov/sab/>. Materials may also be accessed at the URL provided above.

Procedures for Providing Public Input

Public comment for consideration by EPA's federal advisory committees and panels has a different purpose from public comment provided to EPA program offices. Therefore, the process for submitting comments to a federal advisory committee is different from the process used to submit comments to an EPA program office. Federal advisory committees and panels, including scientific advisory committees, provide independent advice to the EPA. Interested members of the public may submit relevant information on the topic of the public portion of this advisory activity, and/or the group conducting the activity, for the SAB to consider during the advisory process. Input from the public to the SAB will have the most impact if it provides specific scientific or technical information or analysis for SAB committees and panels to consider or if it relates to the clarity or accuracy of the technical information. Members of the public wishing to provide comment should contact the DFO directly. *Oral Statements:* In general, individuals or groups requesting an oral presentation at an SAB public meeting will be limited to five minutes. Interested parties wishing to provide comments at the July 10, 2015 STAA Committee public meeting should contact Mr. Hanlon, DFO, in writing (preferably via email) at the contact information noted above by July 2, 2015, to be placed on the list of public speakers for the public portion of the meeting.

Written Statements: Written statements will be accepted throughout the advisory process; however, for timely consideration by Committee members, statements should be supplied to Mr. Hanlon, DFO (preferably via email) at the contact information noted above by July 2, 2015. It is the SAB Staff Office general policy to post written comments on the Web page for advisory meetings. Submitters are requested to provide an unsigned version of each document because the SAB Staff Office does not publish documents with signatures on its Web sites. Members of the public should be aware that their personal contact information, if included in any written comments, may be posted to the SAB

Web site. Copyrighted material will not be posted without explicit permission of the copyright holder.

Accessibility

For information on access or services for individuals with disabilities, please contact Mr. Hanlon at the contact information provided above. To request accommodation of a disability, please contact Mr. Hanlon preferably at least ten days prior to the meeting to give EPA as much time as possible to process your request.

Dated: June 4, 2015.

Gina McCarthy,
Administrator.
