

385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Any filings must bear in all capital letters the title "COMMENTS," "RECOMMENDATIONS FOR TERMS AND CONDITIONS," "PROTEST," or "MOTION TO INTERVENE," as applicable, and the Project Number (P-2197-048) of the particular application to which the filing refers. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

David P. Boergers,
Secretary.

Announcement of Public Comment Period for Draft National Beach Guidance and Performance Criteria for Recreation Waters

AGENCY: Environmental Protection Agency.

ACTION: Notice of Availability; Request for Comments.

SUMMARY: The Environmental Protection Agency (EPA) has developed and is requesting public comments on the draft National Beach Guidance and Performance Criteria for Recreation Waters. This document provides proposed performance criteria for monitoring and assessment of coastal recreation waters adjacent to beaches, and prompt public notification of any exceedance or likelihood of exceedance of applicable water quality standards for pathogens and pathogen indicators for coastal recreation waters. This document also outlines the eligibility requirements for grants to implement monitoring and notification programs under section 406(b) of the Beaches Environmental Assessment and Coastal Health Act. This document is intended to be used by potential grant recipients to implement effective programs for monitoring and assessing coastal recreation waters. The document will also provide guidance for Federal agencies to implement beach monitoring and notification programs when States do not implement a program consistent with the performance criteria.
