II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposal. The text of these statements may be examined at the places specified in Item IV below. The PCX has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make a change to the Schedule with respect to the fingerprinting fee and the investigation fee for PCXE.

In September 2003, the Exchange modified the PCX membership fees relating to the options orientation fee.⁴ Previously, the orientation and testing fee (\$1,000) was comprised of different components including orientation and examination administration, background investigations and fingerprinting. Due to the launch of PCX Plus, the Exchange reconfigured a development and delivery process for the Exchange's orientation and testing program and proposed to revise the options orientation and test fee to allow separate charges for the options orientation fee (\$1,000), the background investigations (\$125), and the fingerprinting fee (\$35).

In establishing these new options fees, the Exchange inadvertently failed to modify the existing PCXE fingerprinting fee and investigation fee⁵ to match the proposed fee changes for PCX options. At that time, the PCXE fingerprinting fee was \$100 and the investigation fee was

\$30. Therefore, the Exchange proposes to modify the PCXE fingerprinting fee and investigation fee in order to make the fees identical to the PCX options fingerprinting fee and investigation fee.

2. Statutory Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act, in general, and Section 6(b)(4) of the Act, in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among its ETP Holders, issuers and other persons using the facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii)⁶ of the Act and subparagraph (f)(2) of Rule 19b-4 thereunder because it establishes or changes a due, fee, or other charged imposed by the Exchange. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

- Send an e-mail to rule-comments@sec.gov. Please include SR-PCX-2004-103 on the subject line.

Copies of such filing also will be available for inspection and copying at the principal office of the PCX.
