Abstract of proposed collection:

The Department of State Bureau of Population, Refugees, and Migration (PRM) is responsible for coordinating and managing the U.S. Refugee Admissions Program (USRAP). PRM coordinates within the Department of State, as well as with the Department of Homeland Security's U.S. Citizenship and Immigration Services (DHS/USCIS), in carrying out this responsibility. A critical part of the State Department's

responsibility is determining which individuals, from among millions of refugees worldwide, will have access to U.S. resettlement consideration. PRM and DHS/USCIS are now assisting with the preparation of a White House directive to initiate an in-country program to provide a means for certain persons who are lawfully present in the United States to claim a relationship with child(ren) in Honduras, El Salvador, and Guatemala and to assist the U.S. Department of State in determining whether those child(ren) are qualified to apply for access to the USRAP for family reunification purposes. This form also assists DHS/USCIS to verify parent-child relationships during refugee case adjudication. The main purpose of the DS-7699 is for the U.S. based parent to provide biographical information about his/her child(ren) in the qualifying countries who may subsequently seek access to the USRAP for verification by the U.S. government.

Methodology:

This information collection currently involves the limited use of electronic techniques. Parents (respondents) in the United States will work closely with a resettlement agency during the completion of the AOR to ensure that the information is accurate. Anchor parents may visit any resettlement agency to complete an AOR. Sometimes respondents do not have strong English-language skills and benefit from having a face-to-face meeting with resettlement agency staff. The DS-7699 form will be available electronically and responses will be completed electronically. Completed AORs will be printed out for ink signature by the respondents as well. The electronic copy will be submitted electronically to the Refugee Processing Center (RPC) for downloading into the Worldwide Refugee Admissions Processing System (WRAPS), with the signed paper copy remaining with PRM's Reception and Placement Agency partners.

Dated: May 7, 2015.

Simon Henshaw,

Principle Deputy Assistant Secretary, Bureau of Population, Refugees and Migration, Department of State.
