

previously submitted under Rule 1003(a)(1). These reports are required to be submitted on Form SCI. The Commission staff estimates that the total annual ongoing burden for all 55 respondents will be, on average, 825 hours. The Commission staff estimates that all respondents will incur, on average, an estimated ongoing annual internal cost of compliance of \$293,040.

Rule 1003(b)(1) requires each SCI entity to conduct an SCI review of its compliance with Regulation SCI not less than once each calendar year, with an exception for penetration test reviews, which are required to be conducted not less than once every three years. Rule 1003(b)(1) also provides an exception for assessments of SCI systems directly supporting market regulation or market surveillance, which are required to be conducted at a frequency based on the risk assessment conducted as part of the SCI review, but in no case less than once every three years. Rule 1003(b)(2) requires each SCI entity to submit a report of the SCI review to senior management no more than 30 calendar days after completion of the review. The Commission staff estimates that the total annual ongoing burden for all 55 respondents will be, on average, 37,950 hours. The Commission staff estimates that all respondents will incur, on average, an estimated ongoing annual internal cost of compliance of \$13,623,225.

Rule 1003(b)(3) requires each SCI entity to submit the report of the SCI review to the Commission and to its board of directors or the equivalent of such board, together with any response by senior management, within 60 calendar days after its submission to senior management. These reports are required to be submitted on Form SCI. The Commission staff estimates that the total annual ongoing burden for all 55 respondents will be, on average, 55 hours. The Commission staff estimates that all respondents will incur, on average, an estimated ongoing annual internal cost of compliance of \$25,410.

In addition, the Commission staff estimates that all respondents will incur, on average, annual costs of \$2,750,000 for outside legal advice in preparation of certain notifications required by Rule 1003(b).

Rule 1006 requires each SCI entity, with a few exceptions, to file any notification, review, description, analysis, or report to the Commission required under Regulation SCI electronically on Form SCI through the EFFS. An SCI entity will submit to the Commission an EAUF to register each individual at the SCI entity who will access the EFFS system on behalf of the

SCI entity. The Commission staff estimates that the total annual initial burden for 7 new respondents will be 2 hours, and the annual ongoing burden for all respondents will be, on average, 8 hours. The Commission staff estimates that the 7 new respondents would incur an initial internal cost of compliance of \$903. In addition, all 55 respondents will incur, on average, an estimated ongoing annual internal cost of compliance of \$3,795, as well as outside costs to obtain a digital ID of \$2,750.

Rule 1002(a) requires each SCI entity, upon any responsible SCI personnel having a reasonable basis to conclude that an SCI event has occurred, to begin to take appropriate corrective action. The Commission staff estimates that the total annual initial recordkeeping burden for 7 new respondents will be 741 hours, and the annual ongoing recordkeeping burden for all 55 respondents will be, on average, 2,145 hours. The Commission staff estimates that the 7 new respondents would incur an initial internal cost of compliance of \$309,868. In addition, all 55 respondents will incur, on average, an estimated ongoing annual internal cost of compliance of \$949,190.

Rule 1003(a)(1) requires each SCI entity to establish reasonable written criteria for identifying a change to its SCI systems and the security of indirect SCI systems as material. The Commission staff estimates that the total annual initial recordkeeping burden for 7 new respondents will be 741 hours, and the annual ongoing recordkeeping burden for all 55 respondents will be, on average, 1,485 hours. The Commission staff estimates that the 7 new respondents would incur an initial internal cost of compliance of \$309,868. In addition, all 55 respondents will incur, on average, an estimated ongoing annual internal cost of compliance of \$711,095.

Regulation SCI also requires SCI entities to identify certain types of events and systems. The Commission staff estimates that the total annual initial recordkeeping burden for 7 new respondents will be 1,287 hours, and the annual ongoing recordkeeping burden for all 55 respondents will be, on average, 2,145 hours. The Commission staff estimates that the 7 new respondents would incur an initial internal cost of compliance of \$507,936. In addition, all 55 respondents will incur, on average, an estimated ongoing annual internal cost of compliance of \$949,190.

Rules 1005 and 1007 establish recordkeeping requirements for SCI entities other than SROs. The Commission staff estimates that for 6

new respondents that are not SROs the average annual initial burden would be 935 hours, and the annual ongoing burden for all 19 respondents will be, on average, 475 hours. The Commission staff estimates that 6 new respondents would incur an estimated internal initial internal cost of compliance of \$72,930, as well as a one-time cost of \$5,400 to modify existing recordkeeping systems. In addition, all 19 respondents will incur, on average, an estimated ongoing internal cost of compliance of \$37,050.

The Commission estimates that the increase in the number of SCI entities raises the total industry annual burden hours to 150,619 hours and costs to \$3,848,749 respectively.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by December 23, 2024.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
