- A summary of the nominee's background, experience and qualifications that address the nominee's suitability to serve on FACOSH;

Federal agency management nominees who serve as Designated Agency Safety and Health Officials (DASHOs), or at an equivalent level of responsibility within their respective agencies, are preferred as management members. Labor nominees who are responsible for Federal employee occupational safety and health matters within their respective labor organizations are preferred as labor members.

The information received through the nomination process, along with other relevant sources of information, will assist the Secretary in making appointments to FACOSH. In selecting FACOSH members, the Secretary may consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals. OSHA will publish a list of the new FACOSH members in the **Federal Register**.
