#### Notice Pursuant to the National Cooperative Research and Production Act of 1993—Semiconductor Research Corporation

Notice is hereby given that, on January 26, 2001, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Semiconductor Research Corporation has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership status. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Conexant Systems, Newport Beach, CA; United Microelectronics Corporation Group of Taiwan, Hsin-Chu City, TAIWAN; Integrated Systems Engineering, Inc., San Jose, CA; Genus, Inc., Sunnyvale, CA; Torrex Equipment Corporation, Livermore, CA; and Ziptronix, Inc., Research Triangle, NC have been added as parties to the venture. In addition, Etec Systems, Inc., Hayward, CA; Harris Corporation, Melbourne, FL; Microbar Incorporated, Sunnyvale, CA; Northrop Grumman, Los Angeles, CA; Omniview,

Inc., Pittsburgh, PA; Suss Advanced Lithography, Inc., Burlington, VT; and Verity Instruments, Inc., Carrollton, TX have been dropped as parties to the venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Semiconductor Research Corporation intends to file additional written notification disclosing all changes in membership.

On January 7, 1985, Semiconductor Research Corporation filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to section 6(b) of the Act on January 30, 1985 (50 FR 4281).

The last notification was filed with the Department on August 4, 1999. A notice was published in the **Federal Register** pursuant to section 6(b) of the Act on December 14, 1999 (64 FR 69800).

#### Notice Pursuant to the National Cooperative Research and Production Act of 1993—Southwest Research Institute (SWRI): Clean Diesel III

Notice is hereby given that, on June 12, 2000, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. section 4301 *et seq.* ("the Act"), Southwest Research Institute: Clean Diesel III has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership status. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Detroit Diesel Corporation, Detroit, MI; and Jacobs Vehicle System, Inc., Bloomfield, CT have been added as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Southwest Research Institute: Clean Diesel III intends to file additional written

notification disclosing all changes in membership.

On January 12, 2000, Southwest Research Institute: Clean Diesel III filed its original notification pursuant to Section 6(a) of the Act. This notice was published by the Department of Justice in the **Federal Register** pursuant to section 6(b) of the Act on June 26, 2000 (65 FR 39429).

The last notification was filed with the Department on April 26, 2000. This notice was published in the **Federal Register** pursuant to section 6(b) of the Act on June 29, 2000 (65 FR 40132).
