(11) To support another Federal agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States (including any State or local governmental agency), that administers, or that has the authority to investigate or assist USDA to investigate potential fraud, waste, or abuse in, a Federal benefits program funded in whole or in part by Federal funds, when disclosure is deemed reasonably necessary by USDA to prevent, deter, discover, detect, investigate, examine, prosecute, sue with respect to, defend against, correct, remedy, or otherwise combat fraud, waste, or abuse in such programs.

POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

The National SNAP Information Database will be hosted in the FNS AWS Cloud infrastructure environment, which is FedRAMP certified. These records are electronic.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

Records may be indexed and retrieved by the name of the individual, SSN, EBT card number, case record identifier number, or any other identifier or data element used by any State, vendor, or contractor to identify SNAP recipients.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

Records are retained and disposed of in accordance with Section 11(a)(3)(B) of the FNA. Records may be retained for a period of not less than 3 years as specified in the FNA or applicable regulation, or for a longer period as required by litigation, investigation, and/or audit. Electronic records are retained by FNS employees and contractors at FNS offices. This system does not yet have a NARA-approved records schedule. All records in this system will be kept indefinitely unless otherwise required by law until NARA has approved a records schedule for this system.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

Administrative Safeguards: The USDA safeguards records in this system according to applicable rules and policies, including all applicable USDA automated systems security and access policies. USDA has imposed strict controls to minimize the risk of compromising information in the system. Access to the computer system containing the records in this system is

limited to those individuals who have a need to know the information for the performance of their official duties and who have appropriate clearances or permissions. Access is controlled through USDA eAuthentication service.

Technical Safeguards: The National SNAP Information Database will utilize a robust collection of technical safeguards to ensure the integrity of the platform. The National SNAP Information Database is designed to meet all technical safeguards required by its system categorization in National Institute of Standards and Technology (NIST) 800–53. The National SNAP Information Database will be hosted in a secure environment that uses perimeter security protection to prevent interference or access from outside intruders. When accessing the National SNAP Information Database, Secure Socket Layer (SSL)/Transport Layer Security (TLS) technology protects the user's information by using both server authentication and data encryption. Users will only access the National SNAP Information Database by USDA eAuthentication through Personal Identity Verification (PIV) Card and Personal Identification Number (PIN) entry or Login.gov. The National SNAP Information Database administrators will have a suite of security tools that can be used to increase the security of the system.

Physical Safeguards: The servers that host the National SNAP Information Database are stored in a USDA FedRAMP authorized data center with strict physical access control procedures in place to prevent unauthorized access.

RECORD ACCESS PROCEDURES:

Personal information contained in this system is provided by the State agency, or such agency's designated vendors and/or contractors, in the State where the individual is a SNAP participant or applicant. An individual may obtain information about a record in the system which pertains to the individual by submitting a written request to the systems manager listed above via letter or online at <https://efoia-pal.usda.gov/>. If by mail, the letter should be marked "Privacy Act Request." Requests should include the name of the individual making the request, the name of the system of records, any other information specified in the system notice, and a statement of whether the requester desires to be supplied with copies by mail or electronically. Individuals may also directly contact the applicable State agency or local SNAP office. A request for information pertaining to an individual should contain the name,

address, date of birth, and SSN of the individual, and any other information that will assist in locating the record.

CONTESTING RECORD PROCEDURES:

Individuals desiring to contest or amend information maintained in the system should direct their request to the system manager listed above or to the State agency or designated vendor/contractor that provided the data. The request should identify each record in question, state the amendment or correction desired, and state why the individual believes that the record is not accurate, relevant, timely, or complete. The individual may submit any documentation that would be helpful. Where consistent with the Privacy Act and this notice, requests sent to the system manager will be shared with the State agency in the State where the individual is a SNAP participant or applicant for resolution. Requests must follow the procedures set forth in 7 CFR 1.116 (Request for correction or amendment to record).

NOTIFICATION PROCEDURES:

Any individual may request information regarding this system of records, or information as to whether the system contains records pertaining to the individual, from the System Manager listed above: See RECORD ACCESS PROCEDURES.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

None.

BILLING CODE 3410–30–P

CIVIL RIGHTS COLD CASE RECORDS REVIEW BOARD

[Agency Docket Number: CRCCRRB–2025–0017–N]

Notice of Formal Determination on Records Release

AGENCY: Civil Rights Cold Case Records Review Board.

ACTION: Notice.

SUMMARY: The Civil Rights Cold Case Records Review Board received 4,701 pages of records from the National Archives and Records Administration (NARA), the Department of Justice, and the Federal Bureau of Investigation (FBI) related to five civil rights cold case incidents to which the Review Board assigned the unique identifiers 2023–

002–006, 2023–002–013, 2024–003–011, 2024–003–034, and 2024–003–065. NARA, the Department of Justice, and the FBI proposed 1,231 postponements in the records related to incidents 2023–002–006 and 2023–002–013. The Department of Justice and the FBI later withdrew 115 of the postponements the agencies proposed. On June 6, 2025 and June 13, 2025, the Review Board met and approved 299 postponements and

portions of 29 additional postponements, and determined that 4,550 pages in full and 151 pages in part should be publicly disclosed in the Civil Rights Cold Case Records Collection. By issuing this notice, the Review Board complies with the Civil Rights Cold Case Records Collection Act of 2018 that requires the Review Board to publish in the **Federal Register** its determinations on the disclosure or postponement of

records in the Collection no more than 14 days after the date of its decision.
