ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

HUD's Uniform Physical Condition Standards (UPCS) regulation (24 CFR part 5, subpart G) provides that HUD housing must be decent, safe, sanitary,

Each exigent health and safety (EHS) deficiency that the inspector observed that day is listed on the form. The property representative signs the form acknowledging receipt. PHAs are to correct EHS deficiencies (i.e., emergency work orders) within 24 hours. PHAs are to notify HUD, using the electronic format, within three business days of the date of inspection, which is the date the PHA was provided notice of these deficiencies, that the deficiencies were corrected within the prescribed time frames.
