Aside from editorial changes to the MOU, the following minor changes would also be incorporated: (1) The State would be required to submit a list of CE determinations semi-annually as opposed to quarterly, including Section 4(f) decisions; (2) the **Federal Register** notice of availability period would be modified from 45 days to 30 days,

where applicable; (3) language would be included clarifying that the presence of unusual circumstances and significant environmental impacts must be considered in CE findings; (4) inclusion of language to clarify that the State coordinate with the Department of Justice and FHWA in the event of litigation, (5) at least a 12-month period between FHWA program reviews would be included in order to give the State adequate time to implement corrective action plans; (6) future changes to 23 CFR 771.117(c) and (d) resulting from rulemaking would be automatically incorporated into the MOU; (7) the termination provisions of the MOU would be changed to comply with the provisions of Moving Ahead for Progress in the 21st Century (MAP–21).
