

draft compliance guidance also describes how to list those inactive ingredients that are different when a finished OTC drug product is obtained from multiple suppliers.

The notice invited interested persons to submit comments on the draft compliance guidance by February 7, 2005. FDA did not receive any comments in response to the notice, and is announcing the availability of this final compliance guidance with only editorial revisions to the draft guidance.

This compliance guidance is being issued consistent with FDA's good guidance practices regulation (21 CFR 10.115). The compliance guidance represents the agency's current thinking on how OTC drug product labeling can be converted to the new OTC Drug Facts format labeling. It does not create or confer any rights for or on any person and does not operate to bind FDA or the public. An alternative approach may be used if such approach satisfies the requirements of the applicable statutes and regulations.

II. Comments

Interested persons may submit to the Division of Dockets Management (see **ADDRESSES**) written or electronic comments regarding this document. Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. Comments are to be identified with the docket number found in brackets in the heading of this document. Received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.

III. Electronic Access
