SUPPLEMENTARY INFORMATION:

Request for Nominations To Serve on FACOSH

The Assistant Secretary of Labor for Occupational Safety and Health (Assistant Secretary) invites interested parties to submit nominations for membership on FACOSH.

FACOSH is authorized to advise the Secretary of Labor (Secretary) on all matters relating to the occupational

safety and health of federal employees (Occupational Safety and Health Act of 1970 (29 U.S.C. 668), 5 U.S.C. 7902, Executive Orders 12196 and 13511). This includes providing advice on how to reduce and keep to a minimum the number of injuries and illnesses in the federal workforce and how to encourage the establishment and maintenance of effective occupational safety and health programs in each Federal agency.

FACOSH is comprised of 16 members, who the Secretary appoints for terms not to exceed three years. The Assistant Secretary, who chairs FACOSH, is seeking nominations both for vacancies that occurred during calendar year (CY) 2009 and that will occur in CY 2010. To provide continuity, the terms of FACOSH members are staggered so that the terms of five to six members expire each year. The Secretary will make five two-year appointments to fill the CY 2009 vacancies, and five three-year appointments to fill the CY 2010 vacancies.

The composition of FACOSH membership and the number of new members to be appointed are:

- Eight members are management representatives from Federal agencies. Five appointments will be made, including two appointments for three-year terms and three appointments for two-year terms; and
- Eight members are representatives of labor organizations representing federal employees. Five appointments will be made, including three appointments for three-year terms and two appointments for two-year terms.

FACOSH members serve at the pleasure of the Secretary unless the member is no longer qualified to serve, resigns, or is removed by the Secretary. The Secretary may appoint FACOSH members to successive terms. FACOSH usually meets between two to six times annually.

Interested parties may nominate one or more qualified persons for membership. Others are invited and encouraged to submit endorsements in support of a nominee. Nominations must include the following information:

- Nominee's resume or curriculum vitae, including contact information, current position, and membership on FACOSH and other relevant organizations;
- Category of membership for which the nominee is qualified to serve;
- A summary of the nominee's background, experience and qualifications for membership;
- Articles or other documents the nominee has authored that indicate their knowledge, experience, and

expertise in occupational safety and health, particularly as it pertains to the federal workforce;

- A statement attesting that that the individual is aware of the nomination and has no apparent conflicts of interest that would preclude membership on FACOSH; and

- A written commitment that the nominee will attend and participate in FACOSH meetings regularly throughout the term.

The Secretary will appoint FACOSH members based upon criteria including, but not limited to, the nominee's level of responsibility for occupational safety and health matters involving the federal workforce, experience and competence in occupational safety and health, and willingness and ability to regularly and fully participate in FACOSH meetings. Federal agency management nominees who serve as their agency's Designated Agency Safety and Health Official and labor nominees who are responsible for federal employee occupational safety and health matters within their respective organizations are preferred as management and labor members, respectively.

The information received through the nomination process, along with other relevant sources of information, will assist the Secretary in making appointments to FACOSH. In selecting FACOSH members, the Secretary will consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals. OSHA will publish a list of the new FACOSH members in the **Federal Register**.

Charter Renewal

Section 7902 of Title 5 of the U.S. Code provides that the President may establish, by executive order, a safety council (FACOSH) composed of representatives of Federal agencies and labor organizations representing Federal employees to serve as an advisory body to the Secretary on issues involving the occupational safety and health of the federal workforce. On September 29, 2009, President Barack Obama signed Executive Order 13511 authorizing the continuance of FACOSH for two another years, until September 30, 2011 (5 U.S.C. 7902).

The Federal Advisory Committee Act (FACA) requires that, upon the continuance or renewal of an advisory committee, a new charter be filed (5 U.S.C. App. § 14). Pursuant to FACA and its implementing regulations (41 CFR Part 102-3), on November 6, 2009, the Secretary renewed the FACOSH charter, which expired on September 30, 2009. The new FACOSH charter will expire on September 30, 2011, unless the Secretary terminates it prior to that date.

App), Executive Order 13511, 29 CFR Part 1960 (Basic Program Elements of for Federal Employee Occupational Safety and Health Programs), 41 CFR Part 102-3, and Secretary of Labor's Order 5-2007 (72 FR 31160).

NUCLEAR REGULATORY COMMISSION

[NRC-2009-0545; Docket No.: 55-62191; License No.: OP-11276-1 (Terminated), IA-09-023]

In the Matter of: Duane Kuhn; Confirmatory Order Modifying License (Effective Immediately)

I

Duane Kuhn (Mr. Kuhn) was previously employed as a Reactor Operator (RO) at Exelon Generation Company, LLC's (Exelon or licensee) Peach Bottom Atomic Power Station (Peach Bottom or facility) located in Delta, Pennsylvania. Mr. Kuhn was the holder of RO License Number OP-11276-1, issued by the Nuclear Regulatory Commission (NRC or Commission) pursuant to 10 CFR Part 55. The license authorized Mr. Kuhn to manipulate the controls of the facility. At Exelon's request, the license was terminated on July 31, 2008.

This Confirmatory Order (Order) is the result of an agreement reached during an Alternative Dispute Resolution (ADR) mediation session conducted on September 24, 2009. ADR is a process in which a neutral mediator with no decision-making authority assists parties in reaching an agreement on resolving any differences regarding the dispute.

II

The NRC Office of Investigations (OI) initiated an investigation on May 5, 2008 to determine whether Mr. Kuhn deliberately violated NRC requirements by failing to inform Exelon of information required to be reported. Based on the evidence developed during the OI investigation, which was completed on March 4, 2009, the NRC identified an apparent willful violation. The apparent violation involved Mr. Kuhn's failure to inform Exelon of an arrest on his first day back at work following the incident, as required by Exelon's Behavioral Observation Program implementing procedure, the Peach Bottom Physical Security Plan, and 10 CFR 73.20(c). A description of this apparent violation and a factual summary of the results of the
