SUPPLEMENTARY INFORMATION:

I. Background

In the **Federal Register** of July 1, 2009 (74 FR 31457), FDA published a notice with a 90-day comment period to request comments on the implementation of the Tobacco Act. Comments from the public will inform FDA's actions implementing the Tobacco Act.

The agency has received a request for an extension of the comment period for the notice. This request conveyed concern that the current 90-day comment period does not allow sufficient time to develop a meaningful or thoughtful response to the notice.

FDA has considered the request and is extending the comment period for the notice for 90 days, until December 28, 2009. The agency believes that a 90-day extension allows adequate time for interested persons to submit comments without significantly delaying rulemaking on these important issues.

II. Request for Comments

Interested persons may submit to the Division of Dockets Management (see **ADDRESSES**) electronic or written comments on this document. Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. Received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.
