In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on February 6, 2014, applicable to workers of International Paper Company, Courtland Alabama Paper Mill, Printing & Communications Papers Division, a subsidiary of International Paper Company, including on-site leased workers from Manpower, Courtland, Alabama. The workers are engaged in activities related to the production of coated and uncoated freesheet paper, and are not separately identifiable by article produced. The notice was published in the **Federal Register** on February 24, 2014 (79 FR 10189).

At the request from the State of Tennessee, the Department reviewed the certification for workers of the subject firm. The intent of the Department's certification is to include all workers of the subject firm who were adversely

affected by increased imports of coated and uncoated freesheet paper.

Based on these findings, the Department is amending this certification to include workers leased from Western Express working on-site at the Courtland, Alabama location of the subject firm.

The amended notice applicable to TA-W-83,129 is hereby issued as follows:

All workers from International Paper Company, Alabama Paper Mill, Printing & Communications Papers Division, a subsidiary of International Paper Company, including on-site leased workers from Manpower and Western Express, Courtland, Alabama, who became totally or partially separated from employment on or after October 10, 2012 through February 6, 2016, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.
