SUPPLEMENTARY INFORMATION:

Summaries for each FAR rule follow. For the actual revisions and/or amendments to these FAR cases, refer to the specific item number and subject set forth in the documents following these item summaries.

FAC 2001–19 amends the FAR as specified below:

**Item I—New Consolidated Form for
Selection of Architect-Engineer
Contractors (FAR Case 2000–608A)**

This amendment to final rule, FAR Case 2000–608, New Consolidated Form for Selection of Architect-Engineer Contractors, changes the effective date from January 12, 2004, to June 8, 2004. This final rule was published in FAC 2001–018 in the **Federal Register** at 68 FR 69227, December 11, 2003. This amendment also eliminates the reference to an applicability date. By changing the effective date, it allows the users of the SF 330 more time to prepare before the SF 330 is effective.

**Item II—Free Trade Agreements—Chile
and Singapore, and Trade Agreements
Thresholds (Interim) (FAR Case 2003–
016)**

This interim rule amends FAR parts 5, 12, 13, 14, 17, 19, 22, 25, and 52 to implement new Free Trade Agreements with Chile and Singapore, as approved by Congress (Public Laws 108–77 and 108–78). These Free Trade Agreements are scheduled to go into effect January 1, 2004. Singapore is already a designated country under the Trade Agreements Act, but Chile was not previously a designated country. The threshold under these Free Trade Agreements for acquisition of end products and services is \$58,550 and the threshold for construction contracts is

\$6,725,000. In acquisitions that exceed these thresholds and are subject to trade agreements, this rule allows the acquisition of end products or construction material from Chile or Singapore without application of the Buy American Act, and provides for certain procedures in the acquisition of services, unless the service is excluded from coverage by the trade agreement. The interim rule directs the contracting officer to determine the origin of a service by the country in which the firm providing the services is established. The interim rule also implements new dollar thresholds for application of trade agreements, as published by the U.S. Trade Representative in the **Federal Register** at 68 FR 70861, December 19, 2003. Contracting officers must review the new thresholds in order to select the appropriate clauses to implement the Buy American Act, trade agreements, and sanctions of European Union country end products and services.

Dated: December 30, 2003.

Laura Auletta,
Director, Acquisition Policy Division.
