

that draft and the new FAST Act provisions, to issue a fully compliant National Freight Strategic Plan in final format by the end of July 2016. To do so, the DOT is asking the public to submit comments on the October 18, 2015 draft NFSP on or before [45 days from posting of this notice] to receive full consideration by DOT with respect to the final NFSP. Commenters are encouraged to address any aspects of the draft NFSP or the FAST Act that they believe should be reflected in the final National Freight Strategic Plan. All comments on the draft NFSP that have already been submitted to DOT will be transferred to this docket and will receive full consideration by the DOT with respect to the NFSP to be issued by the end of July 2016. Commenters who have already responded prior to this notice are also free to update or replace their previous comments.

The DOT is also working to establish an Interim National Multimodal Freight Network (NMFN) that is due 180 days following the enactment date of the FAST Act, which would be on June 1, 2016. The NMFN will be similar in concept to the draft multimodal freight network that was issued as part of the October 18, 2015 draft NFSP, but will now be handled as a separate product from the NFSP. The DOT will publish a separate **Federal Register** notice on or about June 1, 2016 requesting public comment on the Interim NMFN. The NFSP will reference the NMFN but not include it. All comments on the draft NFSP that pertain to the multimodal freight network included in the draft NFSP will receive full consideration by the DOT with respect to the development of the Interim Final Multimodal Freight Network.

Public Comment: The DOT invites comments by all those interested in the draft National Freight Strategic Plan. Comments on the draft NFSP may be submitted and viewed at Docket Number DOT-OST-2015-0248. The web address is: <http://www.regulations.gov/#!docketDetail;D=DOT-OST-2015-0248>.
