Abstract: The BIA—Indian Services is seeking renewal for the information collection Reporting System for Public Law 102–477 Demonstration Project. This information allows the Division of Workforce Development (DWD), which reports to the BIA—Indian Services, to document satisfactory compliance with statutory, regulatory, and other requirements of the various integrated programs. Public Law 102–477 authorized tribal governments to integrate federally funded employment, training, and related services and programs into a single, coordinated, comprehensive service delivery plan. Funding agencies include the Department of Labor and the Department of Health and Human Services. BIA is statutorily required to serve as the lead agency and provides a

single, universal report format for use by tribal governments to report on integrated activities and expenditures. The DWD shares the information collected from these reports with the Department of Labor and the Department of Health and Human Services.

This renewal will be revised to include information collected under 25 CFR part 26 to administer the job placement and training program, through Tribes, which provides vocational/technical training, related counseling, guidance, and job placement services, and limited financial assistance to Indian individuals who are not less than 18 years old and who reside within the Department of the Interior (DOI) approved service areas. Public Law 102–477 allows tribes to consolidate into a single plan, single budget and single report to one office programs they currently have under contract or grant. The job placement and training program has been included in these 477 plans. Since Tribes determine which programs will be included, the plans vary from Tribe to Tribe. Submission of this information allows DOI, through Tribes, to administer the job placement and training program, which provides vocational/technical training, related counseling, guidance, job placement services, and limited financial assistance to Indian individuals who are not less than 18 years old and who reside within DOI-approved service areas.
