

payment must be initiated. CBP must receive the settlement for the credit by the 15th working day in order to have the periodic monthly statement marked paid and treated as a timely payment.

The August 8, 2005 Notice (70 FR 45736) established monthly payment processing procedures that incorporated the changes regarding the extended time for payment of duties and fees, and the removal of entries from the Periodic Daily Statement after expiration of the 10-working-day period after release.

The process for entries scheduled for monthly payment, as of this date including the modifications made by this Notice, is as follows:

a. As entries are filed with CBP, the importer or its designated broker schedules them for monthly payment;

b. Those entries scheduled for monthly payment will appear on the Preliminary Periodic Daily Statement;

c. The importer or its designated broker processes entry summary presentation transactions for Periodic Daily Statements within 10 working days of the date of entry;

d. After summary information has been filed, the scheduled entries will appear on the Final Periodic Daily Statement;

e. Periodic Daily Statements scheduled for monthly payment will appear on the Preliminary Periodic Monthly Statement; CBP will generate the Preliminary Periodic Monthly Statement on the 11th working day of the month following the month in which the merchandise is either entered or released, whichever comes first, unless the importer or designated broker selects an earlier date;

f. On the 15th working day of the month, for Automated Clearing House (ACH) debit participants, CBP will transmit the debit authorizations for the periodic daily statements to the financial institution and the periodic monthly statement will be marked paid. The Final Periodic Monthly Statement will be generated by CBP and be transmitted to the importer or his designated broker. ACH Debit participants must ensure that the money amount identified on the Preliminary Monthly Statement is, in fact, available in their bank account by the 15th working day of the month.

g. CBP must receive the settlement for the credit by the 15th working day of the month in order to have the periodic monthly statement marked paid and treated as a timely payment. The Final Periodic Monthly Statement will be generated by CBP and be transmitted to the importer or his designated broker.

For both ACH Credit and ACH Debit participants, CBP will generate the Final

Periodic Monthly Statement on the night that payment is processed.

Participants should note that if they voluntarily remove an entry from a Periodic Daily Statement before expiration of the 10-working-day period after release, that entry may be placed on another Periodic Daily Statement falling within the same 10-working-day period. If, however, participants remove an entry from a Periodic Daily Statement after expiration of the 10-working-day period after release, the entry may be the subject of a claim for liquidated damages for late payment of estimated duties.

Suspension of Regulations

During the testing of the Periodic Monthly Statement process, CBP is suspending provisions in Parts 24, 141, 142, and 143 of the CBP Regulations (Title 19 Code of Federal Regulations) pertaining to financial, accounting, entry procedures, and deposit of estimated duties and fees. Absent any specified alternate procedure, the current regulations apply. All of the terms of the test and criteria for participation therein, as announced in the previous notices identified above, continue to be applicable unless changed by this notice.
