

The Council's function is to advise the Board on the exercise of the Board's responsibilities under various consumer financial services laws and on other matters on which the Board seeks its advice. Time permitting, the Council will discuss the following topics:

Truth in Lending Act. Discussion of the Truth in Lending Act amendments in the new bankruptcy legislation and specific issues with regard to review of Regulation Z, which implements the Truth in Lending Act.

Information Security. Discussion of issues and concerns involving adoption and implementation of the interagency guidelines for security standards and guidance for response programs for security breaches.

Community Reinvestment Act (CRA) and Community Development. Discussion of issues concerning community development services and identification of "underserved rural areas" with regard to community development initiatives.

Committee Reports. Council committees will report on their work.

Other matters initiated by Council members also may be discussed.

Persons wishing to submit views to the Council on any of the above topics may do so by sending written statements to Ann Bistay, Secretary of the Consumer Advisory Council, Division of Consumer and Community Affairs, Board of Governors of the Federal Reserve System, Washington, DC 20551. Information about this meeting may be obtained from Ms. Bistay, 202-452-6470.

Board of Governors of the Federal Reserve System, June 2, 2005.

Jennifer J. Johnson,

Secretary of the Board.

Proposed Project

A Survey of the Knowledge, Attitudes, and Practice of Medical and Allied Health Professionals Regarding Fetal Alcohol Exposure—New—National Center on Birth Defects and Developmental Disabilities (NCBDDD), Centers for Disease Control and Prevention (CDC).

Background and Brief Description: Maternal prenatal alcohol use is one of the leading preventable causes of birth defects and developmental disabilities. Children exposed to alcohol during fetal development can suffer a wide array of disorders, from subtle changes in I.Q. and behaviors to profound mental retardation. One of the most severe results of drinking during pregnancy is Fetal Alcohol Syndrome (FAS). FAS is a condition that involves disorders of the brain, growth retardation, and facial malformations.

Physicians and other health practitioners play a vital role in diagnosing FAS and in screening women of childbearing age for alcohol consumption and drinking during pregnancy. In Diekman's, *et al.* 2000, study of obstetricians and gynecologists, only one fifth of doctors surveyed
