

state that the nominee is willing to serve as a member and carry out the duties of the Committee. A nomination package should include the following information for each nominee: A letter of nomination (1) stating the name, affiliation, position title, and contact information for the nominee; (2) the basis for the nomination (*i.e.*, what specific attributes recommend him/her for service in this capacity), and (3) the nominee's field(s) of experience within the focus areas listed in section 454(c) of the EISA, as codified at 42 U.S.C. 17113(c), and (4) the name, return address, email address, and daytime telephone number at which the nominator can be contacted. A nomination package should provide an adequate description of the nominee's qualifications, including information that will enable DOE to make an informed decision regarding meeting the membership requirements and objectives.

DOE expressly values diversity, equity, inclusion, and accessibility, and encourages nominations of appropriately qualified candidates from diverse backgrounds.

All nomination information should be provided in a single, complete package by August 1, 2022. Interested applicants should send their nomination package to ITIAC@ee.doe.gov.

Signed in Washington, DC, on June 14, 2022.

LaTanya Butler,

Deputy Committee Management Officer.

SUPPLEMENTARY INFORMATION:

Title: FERC–606, Notification of Request for Federal Authorization and Requests for Further Information; FERC–607, Report on Decision or Action on Request for Federal Authorization.

OMB Control No.: 1902–0241.

Type of Request: Three-year extension of these information collection requirements for all collections described below with no changes to the current reporting requirements. Please note that each collection is distinct from the other.

Abstract: Under 18 CFR 385.2013 (FERC–606) requires agencies and officials responsible for issuing, conditioning, or denying requests for federal authorizations necessary for a proposed natural gas project to report to the Commission regarding the status of an authorization request. This reporting requirement is intended to allow agencies to assist the Commission to make better informed decisions in establishing due dates for agencies' decisions.

18 CFR 385.2014 (FERC–607) requires agencies or officials to submit to the Commission a copy of a decision or action on a request for federal authorization and an accompanying index to the documents and materials relied on in reaching a conclusion.

The information collections can neither be discontinued nor collected less frequently because of statutory
