POLICY JUSTIFICATION

Taipei Economic and Cultural Representative Office in the United States (TECRO)—30 mm Ammunition

The Taipei Economic and Cultural Representative Office in the United States (U.S.) (TECRO) has requested to buy various unclassified 30 mm ammunition, including 30 mm High Explosive Incendiary-Tracer rounds, 30 mm multi-purpose rounds, and 30 mm training rounds; engineering technical services, including configuration control, production support, ammunition testing, and Load, Assemble, and Pack services; other technical services, including sourcing and acquisition assistance, Navy civilian personnel cost, contract support services, support on technical data requests, responses to Requests for Information, up to two (2) Program Management Reviews per year, and testing and documentation associated with contract procurements; and other related elements of logistic and program support. The estimated total cost is \$332.2 million.

This proposed sale is consistent with U.S. law and policy as expressed in Public Law 96–8.

This proposed sale serves U.S. national, economic, and security interests by supporting the recipient's continuing efforts to modernize its armed forces and to maintain a credible defensive capability. The proposed sale will help improve the security of the recipient and assist in maintaining political stability, military balance, and economic progress in the region.

The proposed sale will contribute to the sustainment of the recipient's CM34 Armored Vehicles, enhancing its ability to meet current and future threats. This ammunition will contribute to the recipient's goal of maintaining its military capability while further enhancing interoperability with the U.S. The recipient will have no difficulty absorbing this ammunition into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor for the AB44 ammunition will be Alliant

Techsystems Operations LLC, Plymouth, MN. The principal contractor for the AB51 and AA90 ammunition will be General Dynamics Ordnance and Tactical Systems—Simuni, Marion, IL. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the permanent assignment of any additional U.S. Government or contractor representatives to the recipient. Program Office and support representatives will travel to the recipient on a temporary basis.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

POLICY JUSTIFICATION

Taipei Economic and Cultural Representative Office in the United States (TECRO)—Blanket Order Cooperative Logistics Supply Support Arrangement (CLSSA) Foreign Military Sales Order II (FMSO II)

The Taipei Economic and Cultural Representative Office in the United States (TECRO) has requested to buy a Cooperative Logistics Supply Support Arrangement (CLSSA) Foreign Military Sales Order II (FMSO II) to support the purchase of spare and repair parts for wheeled vehicles, weapons, and other related elements of program support. The estimated total cost is \$108 million.

This proposed sale is consistent with U.S. law and policy as expressed in Public Law 96–8.

This proposed sale will support the foreign policy and national security objectives of the United States (U.S.) by supporting the recipient's continuing efforts to modernize its armed forces and to maintain a credible defensive capability. The proposed sale will help improve the security of the recipient and assist in maintaining political stability, military balance, and economic progress in the region.

The proposed sale will contribute to the sustainment of the recipient's vehicles, small arms, combat weapon systems, and logistical support items, enhancing its ability to meet current and future threats. The proposed sale will contribute to the recipient's goal of maintaining its military capability while further enhancing interoperability with the U.S. The recipient will have no difficulty absorbing this equipment and support into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor(s) will be determined from approved vendors determined by the Defense Logistics Agency to provide these parts for the U.S. military. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to the recipient.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
