Persons who comment on the environmental review of this project will be placed on the Commission’s environmental mailing list, and will receive notification when the environmental documents (EA or EIS) are issued for this project and will be notified of meetings associated with the Commission’s environmental review process.

The Commission considers all comments received about the project in determining the appropriate action to be taken. However, the filing of a comment alone will not serve to make the filer a party to the proceeding. To become a party, you must intervene in the proceeding. For instructions on how to intervene, see below.

Interventions

Any person, which includes individuals, organizations, businesses, municipalities, and other entities,⁷ has the option to file a motion to intervene in this proceeding. Only intervenors have the right to request rehearing of Commission orders issued in this proceeding and to subsequently challenge the Commission’s orders in the U.S. Circuit Courts of Appeal.

To intervene, you must submit a motion to intervene to the Commission in accordance with Rule 214 of the Commission’s Rules of Practice and Procedure⁸ and the regulations under the NGA⁹ by the intervention deadline for the project, which is 5:00 p.m. Eastern Time on September 5, 2025. As described further in Rule 214, your motion to intervene must state, to the

extent known, your position regarding the proceeding, as well as your interest in the proceeding. For an individual, this could include your status as a landowner, ratepayer, resident of an impacted community, or recreationist. You do not need to have property directly impacted by the project in order to intervene. For more information about motions to intervene, refer to the FERC website at <https://www.ferc.gov/resources/guides/how-to/intervene.asp>.

There are two ways to submit your motion to intervene. In both instances, please reference the Project docket number CP25–205–001 in your submission.

(1) You may file your motion to intervene by using the Commission’s eFiling feature, which is located on the Commission’s website (www.ferc.gov) under the link to Documents and Filings. New eFiling users must first create an account by clicking on “eRegister.” You will be asked to select the type of filing you are making; first select “General” and then select “Intervention.” The eFiling feature includes a document-less intervention option; for more information, visit <https://www.ferc.gov/docs-filing/efiling/document-less-intervention.pdf>; or

(2) You can file a paper copy of your motion to intervene, along with three copies, by mailing the documents to the address below. Your motion to intervene must reference the Project docket number CP25–205–001.

To file via USPS: Debbie-Anne A. Reese, Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426.

To file via any other courier: Debbie-Anne A. Reese, Secretary, Federal Energy Regulatory Commission, 12225 Wilkins Avenue, Rockville, Maryland 20852.

The Commission encourages electronic filing of motions to intervene (option 1 above) and has eFiling staff available to assist you at (202) 502–8258 or FercOnlineSupport@ferc.gov.

Protests and motions to intervene must be served on the applicant either by mail at: S. Diane Neal, Assistant General Counsel, Golden Pass LNG, 811 Louisiana Street, Suite 1500, Houston, Texas 77002 or by email (with a link to the document) at diane.neal@goldenpasslng.com. Any subsequent submissions by an intervenor must be served on the applicant and all other parties to the proceeding. Contact information for parties can be downloaded from the service list at the eService link on FERC Online. Service can be via email with a link to the document.

All timely, unopposed¹⁰ motions to intervene are automatically granted by operation of Rule 214(c)(1).¹¹ Motions to intervene that are filed after the intervention deadline are untimely, and may be denied. Any late-filed motion to intervene must show good cause for being late and must explain why the time limitation should be waived and provide justification by reference to factors set forth in Rule 214(d) of the Commission’s Rules and Regulations.¹² A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies (paper or electronic) of all documents filed by the applicant and by all other parties.

Tracking the Proceeding

Throughout the proceeding, additional information about the project will be available from the Commission’s Office of External Affairs, at (866) 208–FERC, or on the FERC website at www.ferc.gov using the “eLibrary” link as described above. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. For more information and to register, go to www.ferc.gov/docs-filing/esubscription.asp.

SUPPLEMENTARY INFORMATION:

A. Need for and Use of the Information Collection

Section 10b of the Federal Home Loan Bank Act (Bank Act) establishes the requirements for making Federal Home Loan Bank (Bank) advances (secured loans) to nonmember mortgagees, which are referred to as “Housing Associates” in FHFA’s regulations.¹ Section 10b also establishes the eligibility requirements an applicant must meet in order to be certified as a Housing Associate.

Part 1264 of FHFA’s regulations implements the statutory eligibility requirements and establishes uniform review criteria the Banks must use in evaluating applications from entities that wish to be certified as a Housing Associate. Specifically, § 1264.4 implements the statutory eligibility requirements and provides guidance to an applicant on how it may satisfy those requirements.² Section 1264.5 authorizes the Banks to approve or deny

all applications for certification as a Housing Associate, subject to the statutory and regulatory requirements.³ Section 1264.6 permits an applicant that has been denied certification by a Bank to appeal that decision to FHFA.⁴

Subpart B of 12 CFR part 1266 governs Bank advances to Housing Associates that have been approved under 12 CFR part 1264. Section 1266.17 establishes the terms and conditions under which a Bank may make advances to Housing Associates.⁵ Specifically, § 1266.17(e) imposes a continuing obligation on each certified Housing Associate to provide information necessary for the Bank to determine if it remains in compliance with applicable statutory and regulatory requirements, as set forth in part 1264.

The OMB control number for the information collection, which expires on October 31, 2025, is 2590–0001. The likely respondents include entities applying to be certified as a Housing Associate and current Housing Associates.

B. Burden Estimates

FHFA estimates the total annualized hour burden imposed upon respondents by this information collection to be 314 hours (14 hours for applicants + 300 hours for current Housing Associates), based on the following calculations:

I. Applicants

FHFA estimates that the total annual average number of entities applying to be certified as a Housing Associate over the next three years will be one, with one response per applicant. The estimate for the average hours per application is 14 hours. Therefore, the estimate for the total annual hour burden for all applicants is 14 hours (1 applicant × 1 response per applicant × 14 hours = 14 hours).

II. Current Housing Associates

FHFA estimates that the total annual average number of existing Housing Associates over the next three years will be 75, with one response per Housing Associate required to comply with the regulatory reporting requirements. The estimate for the average hours per response is 4 hours. Therefore, the estimate for the total annual hour burden for current Housing Associates is 300 hours (75 certified Housing Associates × 1 response per associate × 4 hours = 300 hours).

² See 12 CFR 1264.4.

C. Comments Request

FHFA requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) the accuracy of FHFA's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

SUPPLEMENTARY INFORMATION:

A. Need for and Use of the Information Collection

In 2015, FHFA, the Federal Deposit Insurance Corporation (FDIC), the Office of the Comptroller of the Currency (OCC), and the Board of Governors of the Federal Reserve System (Board) (collectively, the Agencies) jointly issued regulations¹ to implement minimum statutory requirements to be applied by states in the registration and supervision of appraisal management companies (AMCs).² These minimum requirements apply to states that have elected to establish an appraiser certifying and licensing agency with authority to register and supervise AMCs (participating states).³

The regulations also implement the statutory requirement that states report to the Appraisal Subcommittee (ASC) of the Federal Financial Institutions Examination Council (FFIEC) the information required by the ASC to administer the national registry of AMCs (AMC National Registry or Registry).⁴ The AMC National Registry includes AMCs that are either: (1) subsidiaries owned and controlled by an insured depository institution (as defined in 12 U.S.C. 1813) and regulated by either the FDIC, OCC, or Board (federally regulated AMCs);⁵ or (2) registered with, and subject to supervision of, a state appraiser certifying and licensing agency.

FHFA's AMC regulation, located at Subpart B of 12 CFR part 1222, is substantively identical to the AMC regulations of the FDIC, OCC, and Board and contains the recordkeeping and reporting requirements described below.

1. Written Notice of Appraiser Removal From Network or Panel (IC #1, Formerly #4)

An entity meets the definition of an AMC that is subject to the requirements of the AMC regulation if, among other things, it oversees an appraiser panel of more than 15 state-certified or state-licensed appraisers in a state, or 25 or more state-certified or state-licensed appraisers in two or more states, within

¹ The National Credit Union Administration and the Bureau of Consumer Financial Protection also participated in the joint rulemaking but, by agreement, the responsibility for clearance under the PRA of information collections contained in the joint regulations is shared only by the FDIC, OCC, Board, and FHFA.

² See 12 U.S.C. 3353(a). An AMC is an entity that serves as an intermediary for, and provides certain services to, appraisers and lenders.

³ 12 U.S.C. 3346.

⁴ See 12 U.S.C. 3353(e).

⁵ See 12 CFR 1222.21(k) (defining “Federally regulated AMC”).
