

Trousdale County, Tennessee, several members of the public requested a 90-day extension of the comment period because the opportunity to provide comments was not locally advertised. On October 16, 2002, LES requested that NRC extend the comment period to end 30 days after the public information forum on October 14, 2002. After considering these requests, the Commission is extending the comment period. NRC considers that the extension provides sufficient time for members of the public to review the LES "white papers" and provide comment.

The April 24, 2002, LES "white papers"; the May 28, 2002, NRC Meeting Summary; DOE's July 25, 2002, comments; and USEC's June 19, 2002, comments are accessible electronically from the NRC Agency wide Documents Access and Management System (ADAMS) Public Electronic Reading Room on the internet at the NRC Web site, <http://www.nrc.gov/readingrm/adams.html>. BILLING CODE 3210-01-M

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 11a1-1(T), SEC File No. 270-428, OMB Control No. 3235-0478.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

- Rule 11a1-1(T)—Transaction Yielding Priority, Parity, and Precedence

On January 27, 1976, the Commission adopted Rule 11a1-1(T) under the Securities Exchange Act of 1934 ("Exchange Act") to exempt transactions of exchange members for their own accounts that would otherwise be prohibited under Section 11(a) of the Exchange Act. The rule provides that a member's proprietary order may be executed on the exchange of which the trader is a member, if, among other things: (1) The member discloses that a bid or offer for its

account is for its account to any member with whom such bid or offer is placed or to whom it is communicated; (2) any such member through whom that bid or offer is communicated discloses to others participating in effecting the order that it is for account of a member; and (3) immediately before executing the order, a member (other than a specialist in such security) presenting any order for the account of a member on the exchange clearly announces or otherwise indicates to the specialist and to other members then present that he is presenting an order for the account of a member.

Without these requirements, it would not be possible for the Commission to monitor its mandate under the Exchange Act to promote fair and orderly markets and ensure that exchange members have, as the principle purpose of their exchange memberships, the conduct of a public securities business.

There are approximately 1,000 respondents that require an aggregate total of 333 hours to comply with this rule. Each of these approximately 1,000 respondents makes an estimated 20 annual responses, for an aggregate of 20,000 responses per year. Each response takes approximately 1 minute to complete. Thus, the total compliance burden per year is 333 hours (20,000 minutes/60 minutes per hour = 333 hours). The approximate cost per hour is \$100, resulting in a total cost of compliance for the respondents of \$33,333 (333 hours @ \$100).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Kenneth A. Fogash, Acting Associate Executive Director for the Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.
