[Docket Number 011012250-1250-01]

Service Annual Survey

AGENCY: Bureau of the Census,
Commerce.

ACTION: Notice of determination.

SUMMARY: In accordance with title 13, United States Code (U.S.C.), sections 182, 224, and 225, the Bureau of the Census (Census Bureau) has determined that limited financial data (revenue, expenses, and the like) for selected service industries are needed to provide a sound statistical basis for the formation of policy by various governmental agencies, and that these data also apply to a variety of public and business needs. To obtain the desired data, the Census Bureau announces the administration of the Service Annual Survey.

FOR FURTHER INFORMATION CONTACT: Ruth A. Bramblett, Chief, Current Services Branch, Service Sector Statistics Division, on (301) 457-2766.

SUPPLEMENTARY INFORMATION: The Census Bureau conducts surveys necessary to furnish current data on subjects covered by the major censuses

authorized by title 13, U.S.C. The Service Annual Survey provides continuing and timely national statistical data each year. Data collected in this survey are within the general scope, type, and character of those inquiries covered in the economic census. These data are not publicly available from nongovernment or other governmental sources.

The Census Bureau needs reports only from a limited sample of service sector firms in the United States. Selected service industries include professional, scientific, and technical services; administrative and support services; healthcare and social assistance; telecommunications, publishing, broadcasting and other information service industries; trucking, courier, messenger, and warehousing; financial services; and arts, entertainment, and recreation. The probability of a firm's selection is based on its revenue size (estimated from payroll). We are mailing report forms to the firms covered by this survey and require their submission within thirty days after receipt.

Notwithstanding any other provision of law, no person is required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act (PRA) unless that collection of information displays a current valid Office of Management and Budget (OMB) control number. In accordance with the PRA, 44 U.S.C., Chapter 35, the OMB approved the Service Annual Survey under OMB Control Number 0607-0422. Copies of the proposed forms are available upon written request to the Director, U.S. Census Bureau, Washington, DC 20233.

Based upon the foregoing, I have directed that an annual survey be conducted for the purpose of collecting these data.

Dated: October 19, 2001.

William G. Barron, Jr.,

Acting Director, Bureau of the Census.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Trade Fair Certification (TFC) program is a service of the U.S. Department of Commerce (DOC) that provides DOC endorsement and support for high quality international trade fairs that are organized by private-sector firms. The TFC program seeks to broaden the base of U.S. firms, particularly new-to-market companies by introducing them to key international trade fairs where they can achieve their export objectives. Those objectives include one or more of the following: direct sales; identification of local agents or distributors; market research and exposure; and joint venture and licensing opportunities for their products and services. The objective of the application is to make a determination that the trade fair organizer is qualified to organize and manage U.S. exhibitions at a foreign trade show, and to ensure that the show is a viable marketing opportunity for U.S. companies.
