Submission for OMB Review;  
Comment Request

*Upon Written Request Copies Available From:* U.S. Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

*Reinstatement:* Rule 19h-1;  
SEC File No. 270-247; OMB Control No. 3235-0259.

Notice by a Self-Regulatory Organization of Proposed Admission to or Continuance in Membership or

Participation or Association With a Member of Any Person Subject to a Statutory Disqualification, and Applications to the Commission for Relief Therefrom

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the proposed request for reinstatement, with change, of a previously approved collection for which approval has expired—Rule 19h-1, Notice by a Self-Regulatory Organization of Proposed Admission to or Continuance in Membership or Participation or Association With a Member of Any Person Subject to a Statutory Disqualification, and Applications to the Commission for Relief Therefrom (17 CFR 240.19h-1). The Commission plans to submit this request for reinstatement to the Office of Management and Budget (“OMB”) for approval.

Rule 19h-1 (“Rule”) under the Securities Exchange Act of 1934 (the “Exchange Act”) prescribes the form and content of notices and applications by self-regulatory organizations (“SROs”) regarding proposed admissions to, or continuances in, membership, participation or association with a member of any person subject to a statutory disqualification.

The Commission uses the information provided in the submissions filed pursuant to Rule 19h-1 to review decisions of SROs to permit the entry into or continuance in the securities business of persons who have committed serious misconduct. The filings submitted pursuant to the Rule also permit inclusion of an application to the Commission for consent to associate with a member of an SRO notwithstanding a Commission order barring such association.

The Commission reviews filings made pursuant to the Rule to ascertain whether it is in the public interest to permit the employment in the securities business of persons subject to a statutory disqualification. The filings contain information that is essential to the staff’s review and ultimate determination on whether an association or employment is in the public interest and consistent with investor protection. Without these filings, persons subject to a statutory disqualification could reenter or continue employment in the securities business without the Commission’s critical review of their character, ability to act as a fiduciary, and their employer’s plan of supervision. The failure to collect and review this information could result in significant harm to the investing public.

The Commission estimates the annual burden of responding to this collection of information is as follows.

BURDEN HOURS

	19h-1(a)—Notice of admission or continuance notwithstanding a statutory disqualification	19h-1(a)(4)—Notification of proposed admission or continuance pursuant to an exception from the notice requirements	19h-1(b)—Preliminary notifications	19h-1(d)—Application to the Commission for relief from certain statutory disqualifications
Estimated number of respondents = .....	20 .....	20 .....	20 .....	20.
Estimated number of annual responses per respondent = .....	11 .....	9 .....	28 .....	5.

Written comments are invited on: (a) Whether this collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the

collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information

subject to the PRA that does not display a valid OMB control number.

### Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Designation of a Longer Period for Commission Action on a Proposed Rule Change To List and Trade Shares of the Global Currency Gold Fund Under NYSE Arca Equities Rule 8.201

October 28, 2015.

On August 28, 2015, NYSE Arca, Inc. (the “NYSE Arca” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) <sup>1</sup> and Rule 19b–4 thereunder, <sup>2</sup> a proposed rule

change to list and trade shares of the Global Currency Gold Fund under NYSE Arca Equities Rule 8.201. The proposed rule change was published for comment in the **Federal Register** on September 16, 2015.<sup>3</sup> On September 29, 2015, the Exchange filed Amendment No. 1 to the proposed rule change.<sup>4</sup>

Section 19(b)(2) of the Act <sup>5</sup> provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The Commission is extending this 45-day time period. The Commission finds that it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to consider the proposed rule change.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,<sup>6</sup> designates December 15, 2015, as the date by which the Commission shall either approve or disapprove or institute proceedings to determine whether to disapprove the proposed rule change (File Number SR–NYSEArca–2015–76).

*Extension:* Rule 17Ad–2(c), (d), and (h); SEC File No. 270–149, OMB Control No. 3235–0130.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (“PRA”), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 17Ad–2(c), (d), and (h), (17 CFR 240.17Ad–2(c), (d), and (h)), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 17Ad–2(c), (d), and (h) enumerates the requirements with which registered transfer agents must comply to inform the Commission or the appropriate regulator of a transfer agent’s failure to meet the minimum performance standards set by the Commission rule by filing a notice.

The Commission receives approximately 3 notices a year pursuant to Rule 17Ad–2(c), (d), and (h). The estimated annual time burden of these filings on respondents is minimal in view of: (a) The readily available nature of most of the information required to be included in the notice (since that information must be compiled and retained pursuant to other Commission rules); and (b) the summary fashion in which such information must be presented in the notice (most notices are one page or less in length). In light of the above, and based on the experience of the staff regarding the notices, the Commission staff estimates that, on average, most notices require approximately one-half hour to prepare. Thus, the Commission staff estimates that the industry-wide total time burden is approximately 1.5 hours.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in

<sup>1</sup> 15 U.S.C. 78s(b)(1).
