B. Submitting Comments

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by selecting “Currently under Review—Open for Public Comments” or by using the search function.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, “Requests to Federally Recognized Indian Tribes for Information.” The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a **Federal Register** notice with a 60-day comment period on this information collection on March 8, 2023, 88 FR 14399.

1. *The title of the information collection:* Requests to Federally Recognized Indian Tribes for Information.
2. *OMB approval number:* 3150–0245.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* Not Applicable.
5. *How often the collection is required or requested:* On occasion.

6. *Who will be required or asked to respond:* Federally recognized Indian Tribes.

7. *The estimated number of annual responses:* 32.

8. *The estimated number of annual respondents:* 637.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 5,120 (15,360 hours over the course of the three-year clearance period (32 responses per request × 20 requests per year × 8 hours per response × 3 years = 15,360 hours)).

10. *Abstract:* NRC actions and NRC regulated activities may affect Indian Tribes and their current or ancestral Tribal lands. On January 9, 2017, the NRC published a Tribal Policy Statement (82 FR 2402). In its Tribal Policy Statement, the NRC indicated that it recognizes the Federal Trust Relationship with Indian Tribes and will uphold its Trust Responsibility to Indian Tribes. In its policy statement, the NRC stated that it recognizes and is committed to a government-to-government relationship with Indian Tribes. The NRC also indicated that it would engage in timely consultations with Indian Tribes. The NRC is requesting OMB approval of a plan for a generic collection of information. The need and practicality of the collection can be evaluated, but the details of the specific individual collections will not be known until a later time. The information collected will include voluntary requests for information that would allow the NRC to more effectively involve Indian Tribes in the NRC’s regulatory activities and to enable the NRC to plan the NRC’s Tribal outreach and consultation activities.

Dated: July 20, 2023.

its Participants, claims compensation for payments due from the Paying Agent and/or Issuer if there is a failure to pay DTC principal and interest, or entitlements for a corporate actions event, on the scheduled payment date in immediately available funds (“Compensation Claims Process”), as described below.¹⁰

II. Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the clearing agency included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The clearing agency has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

(A) Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change consists of modifications to the Service Guides and the OA relating to the Compensation Claims Process, as described below.

Background

As the holder of immobilized securities through its nominee, Cede & Co., DTC provides asset services that facilitate centralization, simplification, and automation in the processing of principal and income payments and corporate actions.¹¹ In this regard, DTC receives from agents, on behalf of its Participants, funds payments representing scheduled payments of dividends on equity securities or interest or principal on debt securities. These payments may include payments of principal and, in certain cases, payments of interest accrued from the preceding interest payment date. These payments are credited to the Participants to whom they are due (as reflected in DTC’s records). DTC also receives and allocates funds payments in connection with redemptions of debt

¹⁰ The respective Service Guides and OA are each a Procedure of DTC. Pursuant to the Rules, the term “Procedures” means the Procedures, service guides, and regulations of DTC adopted pursuant to Rule 27, as amended from time to time. See Rule 1, Section 1, *supra* note 5. They are binding on DTC and each Participant in the same manner that they are bound by the Rules. See Rule 27, *supra* note 5.

¹¹ These services, including distributions, redemptions, and reorganizations, among others, are further described in applicable DTC service guides, available at <https://www.dtcc.com/legal/rules-and-procedures>.
