Final EIS publication: May 2027.
Record of Decision: September 2027.

As noted in the tentative schedule, FTA and Kitsap Transit intend to complete the EIS for the Project within two years, measured from the date of the publication of this notice to issuance of the Final EIS. FTA and Kitsap Transit will accept public comments on the scope of the EIS (*i.e.*, the information presented in this notice) at <https://www.kitsaptransit.com/seattle-fast-ferry-terminal-project> until August 11, 2025. FTA and Kitsap Transit will then consider those comments as they prepare the Draft EIS, and will announce the availability of the Draft EIS in the **Federal Register** and via local media outlets. Kitsap Transit expects the Draft EIS will be available for a minimum of 30 days for the public comment period starting in June 2026. The Draft EIS will be distributed and available for review and comment by stakeholder agencies, tribes, the public and other interested parties prior to a public hearing. FTA and Kitsap Transit will consider substantive comments timely submitted during the public comment period and anticipate issuing a Final EIS in May 2027 and issuing a record of decision in September 2027. FTA and Kitsap Transit expect that all Federal environmental authorization decisions for the construction of the Project will be

completed before or within a reasonable period following issuance of the record of decision.

Notices of public meetings, including hearings, have been, and will continue to be, given through a variety of media providing the time and place of the meeting(s) along with other relevant information.
