DEPARTMENT OF EDUCATION

[CFDA NO. 84.031H]

Office of Postsecondary Education; Strengthening Institutions (SIP), American Indian Tribally Controlled Colleges and Universities (TCCU), Alaska Native and Native Hawaiian-Serving Institutions (ANNH) and Developing Hispanic-Serving Institutions (HSI) Programs; Notice Inviting Applications for Designation as Eligible Institutions for Fiscal Year (FY) 2004

Purpose of Programs: Under the SIP, TCCU, and ANNH Programs, authorized under Part A of Title III of the Higher Education Act of 1965, as amended (HEA), institutions of higher education are eligible to apply for grants if they meet specific statutory and regulatory

eligibility requirements. Similarly, institutions of higher education are eligible to apply for grants under the HSI Program, authorized under Title V of the HEA, if they meet specific statutory and regulatory requirements. In addition, an institution that is designated as an eligible institution under those programs may also receive a waiver of certain non-Federal share requirements under the Federal Supplemental Educational Opportunity Grant (FSEOG), the Federal Work Study (FWS), the Student Support Services (SSS) and the Undergraduate International Studies and Foreign Language (UISFL) Programs. The FSEOG, FWS and SSS Programs are authorized under Title IV of the HEA; the UISFL Program is authorized under Title VI of the HEA.

Qualified institutions may receive these waivers even if they are not recipients of grant funds under the Title III Part A Programs or Title V Program.

Special Note: To become eligible, your institution must satisfy several criteria, including one related to needy student enrollment and one related to average Educational and General (E&G) expenditures for a particular base year. Because we changed the collection processes for determining the thresholds for these two criteria, we do not have base year data beyond 2000-2001. In order to award FY 2004 grants in a timely manner, we will use threshold data from the base year 2000-2001 rather than a later base year. In completing your eligibility application, please use data from the base year 2000-2001.

Eligible Applicants: To qualify as an eligible institution under the Title III, Part A Programs or the Title V Program, an accredited institution must, among other requirements, have an enrollment of needy students, and its average E&G expenditures per full-time equivalent (FTE) undergraduate student must be low in comparison with the average E&G expenditures per FTE undergraduate student of institutions that offer similar instruction. To be an eligible Hispanic-Serving Institution, an institution must—

(1) Be accredited or preaccredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered;

(2) Be legally authorized by the State in which it is located to be a junior college or to provide an educational program for which it awards a bachelor's degree;
