DEPARTMENT OF THE TREASURY

Federal Law Enforcement Training Center

FLETC Cheltenham, MD; Notice of Availability of Document for Review

AGENCY: Federal Law Enforcement Training Center, Treasury.

ACTION: Notice of availability of environmental assessment for public review.

SUMMARY: Notice is hereby given that the Federal Law Enforcement Training Center (FLETC), pursuant to the National Environmental Policy Act of 1969 (NEPA), the Council on Environmental Quality Regulations for Implementing the National Environmental Policy Act (40 CFR parts 1500-1508), and Department of the Treasury Directive 75-02 (Department of the Treasury Environmental Quality Program), has prepared an Environmental Assessment (EA) related to the renovation of the former Naval Communications Detachment Cheltenham, MD to provide a law enforcement requalification training facility for use by a wide variety of federal, state, and local agencies located in the metropolitan Washington, DC area. The proposed action includes demolition and renovation of existing buildings for use as classrooms, simulators, locker facilities, storage, etc., and construction of a free-standing, completely enclosed, environmentally safe indoor firearms training range and an outdoor vehicle training range. Vegetation manipulation will occur for aesthetic purposes, wildlife habitat improvement, wildfire hazard control, and insect/disease reduction.

The public and resource agencies were invited to attend a public meeting held October 24, 2001, and participate in the planning and analysis of the proposed project. At that meeting the FLETC discussed the environmental review process, described the project and alternatives under consideration, discussed the scope of environmental issues to be investigated in accordance with the requirements of NEPA, and answered questions from attendees.

An Environmental Assessment document has been prepared in accordance with NEPA and Department of the Treasury requirements, addressing the various project alternatives, their potential environmental impacts, and issues raised during the October 24 public meeting. This document will be available for public review and comment from December 17, 2001 until January 16, 2002 at the following locations:

1. Prince George's County Memorial Library System, Surratts-Clinton Branch, 9400 Piscataway Road, Clinton, MD 20735, 301-868-9200
2. Department of the Treasury, Library, Main Treasury Building, 1500 Pennsylvania Avenue NW, Washington, DC 20220, Contact Bill McGovern at 282-622-0043

The EA will also be viewable as a PDF file on the FLETC's Internet site at

¹ While the applicant initially indicated a proposed consummation date of January 8, 2002, because the verified notice was filed on November 20, 2001, consummation may not take place prior to January 9, 2002. Applicant's representative has subsequently confirmed that the correct consummation date is on or after January 9, 2002.

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Each offer of financial assistance must be accompanied by the filing fee, which currently is set at \$1000. See 49 CFR 1002.2(f)(25).
