**Proposed Project:** Evaluation of the  
 ACF Marriage and Family Strengthening  
 Grants for Incarcerated and Reentering  
 Fathers and their Partners—OMB No.  
 0990-NEW—Assistant Secretary for  
 Planning and Evaluation (ASPE).

**Abstract:** The Office of Family  
 Assistance within the Administration  
 for Children and Families (ACF) is  
 conducting a demonstration program  
 called Marriage and Family  
 Strengthening Grants for Incarcerated  
 and Re-entering Fathers and their  
 Partners (MFS-IP). These demonstration  
 programs are funded to support  
 activities in the areas of marriage  
 strengthening and responsible  
 fatherhood among incarcerated and

recently released fathers, their partners,  
 and children. The Office of the Assistant  
 Secretary for Planning and Evaluation  
 (ASPE) is conducting an evaluation of  
 these demonstration projects. The  
 objective of the evaluation is to help to  
 determine what types of marriage and  
 family strengthening programs work  
 best, what does not work, and what  
 effects these programs may have on  
 fostering healthy marriages, families and  
 children for those involved in the  
 criminal justice system. Information  
 from the evaluation will assist federal,  
 state, and community policymakers and  
 patrons in deciding whether to replicate  
 or redesign identified marriage and  
 family strengthening program models.

The MFS-IP evaluation will assess  
 the effects of marriage and family  
 strengthening activities with  
 incarcerated populations by comparing  
 relationship quality and stability,  
 positive family interactions, family  
 financial well-being, recidivism, and  
 community connectedness between  
 intervention and control groups.  
 Primary data for the evaluation will  
 come from three waves of in-person data  
 collection, including a baseline survey  
 and follow-up surveys at approximately  
 6 and 12 months post-baseline. Data  
 collection is expected to last 4 years,  
 from the time the first participant is  
 enrolled until the last 12-month follow-  
 up survey is administered.
