Postponement of Deadline for Preliminary Determination

On May 18, 2015, Petitioners⁴ submitted a timely request for a 50-day postponement of the preliminary determination in this investigation pursuant to section 733(c)(1)(A) of the Act and 19 CFR 351.205(e).⁵ On June 1, 2015, we postponed the preliminary determination by 50 days.⁶ As a result of the postponement, the revised deadline for the preliminary determination of this investigation is now August 19, 2015.

Methodology

The Department is conducting this investigation in accordance with section 731 of the Act. There are two mandatory respondents participating in this investigation, International Paper⁷ and Suzano.⁸ Export price and constructed export price for these companies, as appropriate, are calculated in accordance with section 772 of the Act. Normal value ("NV") is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our preliminary conclusions, see the Preliminary Decision Memorandum.

All-Others Rate

Consistent with sections 733(d)(1)(A)(ii) and 735(c)(5) of the Act, the Department also calculated an estimated all-others rate. Section 735(c)(5)(A) of the Act provides that the estimated all-others rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero and *de minimis* margins, and any margins determined entirely under section 776 of the Act.

Specifically, this rate of 37.76 percent is based on a simple average of the
