

monopolies and lets criminals in the banking industry and Wall St get away with liquidating the United States and selling us off to foreign ownership and does not do a thing about it because we still have the federal attorneys left over from the Bush Administration who allowed these foreign monopolies rob this country blind. It is time for these federal attorneys to be fired and for the Justice Department to address all these issues.

It would be nice if you send me some kind of response as to when you will fire these corrupt left over federal attorneys from the Bush Cheney Administration. Just remember if Jeb Bush, N Sanders Saul and Katherine Harris never rigged the election, Bush and Cheney never would have been in the white house and 9-11 and the Pentagon hit by a missile never would have happened. You know it and I know it. Now how about firing these corrupt bastards who have no clue as to what defines a monopoly

Sincerely,

Ira

I read most of the rules applicable to the ComCast DOS and DONTs—It reminds me that one should let the fox into the hen house and tell him not to touch the chickens. The restrictions will be challenged and challenged, much will change and the only people that will really know what is going on is the lawyers, the company and you. By the time the consumer realizes what has happened it will be too late for them. SO MY QUESTION—WHY LET THE FOX IN THE HEN HOUSE IN THE FIRST PLACE? HOPEFULLY THE SAME THING WILL NOT BE REPEATED WITH THE AT&T AND T-MOBILE DEAL!!!!!!!!!!!!
