BILLING CODE 7710-12-P

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 15c2-12; SEC File No. 270-330; OMB Control No. 3235-0372.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

- Rule 15c2-12 Disclosure requirements for municipal securities

Rule 15c2-12 under the Securities Exchange Act of 1934 (15 U.S.C. 78 et seq.) requires underwriters of municipal securities: (1) To obtain and review a copy of an official statement deemed final by an issuer of the securities, except for the omission of specified information; (2) in non-competitively bid offerings, to make available, upon request, the most recent preliminary official statement, if any; (3) to contract with the issuer of the securities, or its agent, to receive, within specified time periods, sufficient copies of the issuer's final official statement to comply both with this rule and any rules of the MSRB; (4) to provide, for a specified period of time, copies of the final official statement to any potential customer upon request; (5) before purchasing or selling municipal securities in connection with an offering, to reasonably determine that the issuer or other specified person has undertaken, in a written agreement or contract, for the benefit of holders of such municipal securities, to provide certain information about the issue or issuer on a continuing basis to a nationally recognized municipal securities information repository; and (6) to review the information the issuer of the municipal security has

undertaken to provide prior to recommending a transaction in the municipal security.

These disclosure and recordkeeping requirements will ensure that investors have adequate access to official disclosure documents that contain details about the value and risks of particular municipal securities at the time of issuance while the existence of compulsory repositories will ensure that investors have continued access to terms and provisions relating to certain static features of those municipal securities. The provisions of Rule 15c2-12 regarding an issuer's continuing disclosure requirements assist investors by ensuring that information about an issue or issuer remains available after the issuance.

Municipal offerings of less than \$1 million are exempt from the rule, as are offerings of municipal securities issued in large denominations that are sold to no more than 35 sophisticated investors, have short-term maturities, or have short-term tender or put features. It is estimated that approximately 12,000 brokers, dealers, municipal securities dealers, issuers of municipal securities, and nationally recognized municipal securities information repositories will spend a total of 123,850 hours per year complying with Rule 15c2-12. Based on average cost per hour of \$50, the total cost of compliance with Rule 15c2-12 is \$6,192,500.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.

Dated: August 15, 2000.

Margaret H. McFarland,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (Datalink.net, Inc., Common Stock, \$.01 Par Value) File No. 1-15569

August 16, 2000.

Datalink.net, Inc., a Nevada corporation ("Company"), has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its Common Stock, \$.01 par value ("Security"), from listing and registration on the American Stock Exchange LLC ("Amex").

The Company has effected a new listing for its Security on the National Market of the Nasdaq Stock Market, Inc. ("Nasdaq"). On August 11, 2000, the Company filed a Registration Statement on Form 8-A with the Commission in conjunction with the new Nasdaq listing. Trading in the Security on the Nasdaq commenced, and was concurrently suspended on the Amex, at the opening of business on August 14, 2000. The Company is seeking to withdraw its Security from listing and registration on the Amex because it believes that it is in its best interest to have the Security trade on the Nasdaq rather than on the Amex.

On May 16, 2000, the Company's board of directors approved a resolution authorizing the Security's new Nasdaq listing and withdrawal from listing and registration on the Amex. The Amex has in turn advised the Company that its application for such withdrawal has been made in accordance with the rules of the Amex and that the Amex has no objection to such withdrawal, pending approval of the Company's application by the Commission. In the light of its new listing on the Nasdaq, the Amex has not required the Company to notify its shareholders of its intention to withdraw the Security from listing and registration on the Amex.

The Company's application relates solely to the withdrawal of the Security from listing and registration on the Amex and shall have no effect upon the Security's continued listing on the Nasdaq and registration under Section 12(g) of the Act.³

Any interested person may, on or before September 7, 2000, submit by letter to the Secretary of the Securities
