

Conclusion

The Agency has not received any adverse evidence on any of these drivers that indicates that safety is being compromised. Based upon its evaluation of the 16 renewal applications, FMCSA renews the Federal vision exemptions for Frank R. Berritto, Roosevelt Bryant, Jr., Daniel K. Davis, III, Timothy J. Droeger, Oskia D. Johnson, David C. Loeffler, Richard W. O'Neill, Larry A. Prieve, David M. Smith, Kenneth C. Steele, Mark J. Stevwing, Patrick D. Talley, Paul D. Totty, Loren R. Walker, Kris Wells, and Timothy J. Wilson.

In accordance with 49 U.S.C. 31136(e) and 31315, each renewal exemption will be valid for 2 years unless revoked earlier by FMCSA. The exemption will be revoked if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136 and 31315.

Issued on: October 9, 2008.

Associate Administrator for Policy and Program Development.
