

annual hour burden associated with Rule 15g-9 is 26,208 hours (18,720 hours to prepare the suitability statement and agreement + 6,240 hours for customer review + 1,248 recordkeeping hours).

We recognize that under the amendments to Rule 15g-9, the burden hours may be slightly reduced if the transaction agreement required under the rule is provided through electronic means such as e-mail from the customer to the broker-dealer (e.g., the customer may take only one minute, instead of the two minutes estimated above, to provide the transaction agreement by e-mail rather than regular mail). If each of the customer respondents estimated above communicates with his or her broker-dealer electronically, the total burden hours on the customers would be reduced from 10 minutes to 9 minutes per response, or an aggregate total of 1,404 minutes per respondent (156 customers \times 9 minutes for each customer). Since there are 240 respondents, the annual customer respondent burden, if electronic communications were used by all customers, would be approximately 336,960 minutes (240 respondents \times 1,404 minutes per each respondent), or 5,616 hours. We do not believe the hour burden on broker-dealers in obtaining, reviewing, and processing the suitability determination would change through use of electronic communications. In addition, we do not believe that, based on information currently available to us, recordkeeping burdens under Rule 15g-9 would change where the required documents were sent or received through means of electronic communication. Thus, if all broker-dealer respondents obtain and send the documents required under the rule electronically, the aggregate annual hour burden associated with Rule 15g-9 would be 25,584 hours (18,720 hours to prepare the suitability statement and agreement + 5,616 hours for customer review + 1,248 recordkeeping hours).

We cannot estimate how many broker-dealers and customers will choose to communicate electronically. If we assume that 50 percent of respondents would continue to provide documents and obtain signatures in tangible form, and 50 percent would choose to communicate electronically in satisfaction of the requirements of Rule 15g-9, the total aggregate hour burden would be 25,896 burden hours ((26,208 aggregate burden hours for documents and signatures in tangible form \times 0.50 of the respondents = 13,104 hours) + (25,584 aggregate burden hours for electronically signed and transmitted

documents \times 0.50 of the respondents = 12,792 hours)).

The broker-dealer must keep the written suitability determination and customer agreement required by the Rule for at least three years. Completing the suitability determination and obtaining the customer agreement in writing is mandatory for broker-dealers who effect transactions in penny stocks and do not qualify for an exemption, but does not involve the collection of confidential information. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request; "Tell Us How We're Doing!"

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

SEC File No. 270-406; OMB Control No. 3235-0463.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request to approve the collection of information discussed below.

The title of the questionnaire is "Tell Us How We're Doing!"

The Commission currently sends the questionnaire to persons who have used

the services of the Commission's Office of Investor Education and Advocacy. The questionnaire consists mainly of eight (8) questions concerning the quality of services provided by OIEA. Most of the questions can be answered by checking a box on the questionnaire.

The Commission needs the information to evaluate the quality of services provided by OIEA. Supervisory personnel of OIEA use the information collected in assessing staff performance and for determining what improvements or changes should be made in OIEA operations for services provided to investors.

The respondents to the questionnaire are those investors who request assistance or information from OIEA. For 2007, for example, OIEA sent questionnaires to 2,724 investors, and received 571 responses, or about 21 percent.

The total reporting burden of the questionnaire in 2007 was approximately 142 hours and 45 minutes. This was calculated by multiplying the total number of investors who responded to the questionnaire times how long it is estimated to take to complete the questionnaire (571 respondents \times 15 minutes = 142 hours and 45 minutes).

Providing the information on the questionnaire is voluntary and responses are kept confidential.

Members of the public should be aware that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless a currently valid Office of Management and Budget control number is displayed.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an e-mail to:

Alexander_T._Hunt@omb.eop.gov; and (ii) R. Corey Booth, Director and Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312, or send an e-mail to PRA_mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: June 16, 2008.

Acting Secretary.
