

additional input from stakeholders and other interested parties to confirm that the draft definition and traits developed at the February workshop reflect a broad consensus view.

In preparation for the February workshop, the NRC staff noted that some stakeholders and interested parties who reside in the Western half of the US were unable to attend the workshop or participate remotely. Thus, the NRC hearing facility in Las Vegas, Nevada, with its excellent broadcast capabilities was chosen as the site for the upcoming meeting. Additionally, the meeting will be simultaneously broadcast to a location at NRC headquarters in Rockville, Md., and webstreamed so that individuals may participate remotely from their own personal computers (PCs). Please check the following NRC Web sites for any updates to the workshop schedules and/or information regarding this event: <http://www.nrc.gov/public-involve/public-meetings/index.cfm> and/or <http://www.nrc.gov/about-nrc/regulatory/enforcement/safety-culture.html>.

The goal of the meeting is to provide an opportunity for stakeholders and other interested parties to offer their thoughts on the revised draft policy statement including the revised definition and traits. The revised draft policy statement has benefitted from public comments, the results of the February workshop, and additional comments that stakeholders and other interested parties have provided to the staff at the various outreach activities and will be used to focus much of the discussion at the September meeting. It will be published for a 30-day public comment period prior to the meeting on both the NRC's Safety Culture website at <http://www.nrc.gov/about-nrc/regulatory/enforcement/safety-culture.html> and in the **Federal Register**.

DATES: The meeting is planned for September 28, 2010. Additional information will be available on the NRC Public Meeting Schedule Web site at <http://www.nrc.gov/public-involve/public-meetings/index.cfm> at least ten days prior to the meeting.

Locations: The public meeting will be held at the NRC's hearing facility in Las Vegas, Nevada, and will be simultaneously broadcast to a location at NRC headquarters at 11555 Rockville Pike, Rockville, MD 20852. Additionally, the meeting will be webstreamed so that individuals may participate remotely from their own PCs. Regarding the NRC headquarters' location, because parking is extremely limited, the most convenient

transportation to this location is via Metro's Red Line to the White Flint Station, which is directly across Marinelli Rd. from NRC headquarters. Please allow time at both locations to register with building security upon entering the buildings. The public meeting notice will provide specific details.

Document Accessibility: The documents referenced in this notice are publicly available. **NRC's Public Document Room (PDR):** The public may examine and have copied for a fee, publicly available documents at the NRC's PDR, Public File Area O-1 F21, One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852-2738.
