

- **Enrollment and Identity Verification**—We collect identifying data and use SSA and EDS records to verify an individual's identity. Individuals have the option of obtaining an enhanced, stronger, User ID by providing certain financial information (e.g., Medicare wages, self-employed earnings, direct deposit amount, or the last eight digits of a credit card number) for verification. We also ask individuals to answer out-of-wallet questions so we can further verify their identities. Individuals who are unable to complete the process online can present identification at a field office to obtain a User ID.

- **Establishing the User Profile**—The individual self-selects a username and password, both of which can be of variable length and alphanumeric. We provide a password strength indicator to help the individual select a strong password. We also ask the individual to choose challenge questions for use in restoring a lost or forgotten username or password.

- **Enhancing the User ID**—If an individual opts to enhance or upgrade the User IDs, we mail a one-time-use upgrade code to the individual's verified residential address. When the individual receives the upgrade code in the mail, he or she can enter this code online to enhance the security of the account. At this time, we also ask the individual to enter a cell phone number. We send an initial text message to that number and require the individual to confirm its receipt. We send a text message to that number each time the individual signs in, subsequently.

- **Login and Use**—Standard authentication provides an individual with a User ID for access to most online applications. Enhanced authentication uses the standard User ID along with a one-time code sent to the individual's cell phone, via text message, to create a more secure session, and to grant access to certain sensitive Social Security services. An individual who forgets the password can reset it automatically without contacting SSA. The enrollment process is a one-time only activity for the respondents. After the respondents enroll and choose their User ID (Username & Password), they have to sign in with their User ID every time they want to access Social Security's secured online services.

SSA requires the individuals to agree to the "Terms of Service" detailed on our Web site before we allow them to begin the enrollment process. The "Terms of Service" inform the individuals what we will and will not do with their personal information and the privacy and security protections we provide on all data we collect. These terms also detail the consequences of misusing this service.

To verify the individual's identity, we ask the individual to give us minimal personal information, which may include:

- Name;
- SSN;
- Date of Birth;
- Address—mailing and residential;
- Telephone number;
- Email address;
- Financial information;
- Cell phone number; and

- Selecting and answering password reset questions.

We send a subset of this information to the EDS, who then generates a series of out-of-wallet questions back to the individual. The individual must answer all or most of the questions correctly before continuing in the process. The exact questions generated are unique to each individual.

This collection of information, or a subset of it, is mandatory for respondents who want to do business with SSA via the Internet. We collect this information via the Internet, on SSA's public-facing Web site. We also offer an in-person identification verification process for individuals who cannot, or are not willing, to register online. For this process, the individual must go to a local SSA field office and provide identifying information. We do not ask for financial information with the in-person process.

We only collect the identity verification information one time, when the individual registers for a credential. We ask for the User ID (username and password) every time an individual signs in to our automated services. If individuals opt for the enhanced or upgraded account, they also receive a text message on their cell phones (this serves as the second factor for authentication) each time they sign in.

The respondents are individuals who choose to use the Internet or Automated Telephone Response System to conduct business with SSA.

Type of Request: Revision of an OMB-approved information collection.

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Request for Comments Concerning an Environmental Review of the Proposed Transatlantic Trade and Investment Partnership Agreement

AGENCY: Office of the United States Trade Representative.

ACTION: Notice of intent to conduct an environmental review of the proposed Transatlantic Trade and Investment Partnership agreement and request for comments.

SUMMARY: The Office of the United States Trade Representative (USTR), through the Trade Policy Staff Committee (TPSC), is initiating an environmental review of the Transatlantic Trade and Investment Partnership agreement (T-TIP), a free trade agreement under negotiation between the United States and the European Union. The TPSC invites written comments from the public on the topics that should be included in the scope of the environmental review, including potential positive or negative environmental effects that might result

from the trade agreement and potential implications for U.S. environmental laws and regulations. The TPSC also welcomes public views on appropriate methodologies and sources of data for conducting the review. The review will be conducted consistent with the relevant procedures of Executive Order 13141: Environmental Review of Trade Agreement and its implementing guidelines. Persons submitting written comments should provide as much detail as possible on the manner and degree to which the subject matter they propose for inclusion in the review may raise significant environmental issues that should be considered in the context of the negotiations. Public comments on environmental issues submitted in response to a notice published in the **Federal Register** on April 1, 2013, requesting comments from the public regarding the T-TIP will be taken into account in preparing the environmental review and do not need to be resubmitted.

DATES: Comments should be submitted on or before September 2, 2014, to be assured of timely consideration by the TPSC.

ADDRESSES: Public comments should be submitted electronically to www.regulations.gov, docket number USTR 2014-0012. If you are unable to provide submissions at www.regulations.gov, please contact Ms. Yvonne Jamison (202-395-3475) to arrange for an alternative method of transmission.

FOR FURTHER INFORMATION CONTACT: Questions regarding the submission of comments in response to this notice should be directed to Ms. Yvonne Jamison at (202) 395-3475. Questions concerning the environmental review should be addressed to Mr. David Oliver at (202) 395-7320.

SUPPLEMENTARY INFORMATION:

1. Background Information

On March 20, 2013, USTR notified Congress of the President's intent to enter into negotiations for a Transatlantic Trade and Investment Partnership agreement with the European Union aimed at achieving a substantial increase in transatlantic trade and investment. Through a notice in the **Federal Register** and a public hearing (held May 29-30, 2013, in Washington, DC), the TPSC invited the public to provide written comments and/or oral testimony to assist USTR in assessing U.S. objectives for the proposed agreement (see 78 FR 19566, April 1, 2013). A description of U.S. negotiating objectives for the T-TIP is

available at <http://www.ustr.gov/about-us/press-office/press-releases/2014/March/US-Objectives-US-Benefits-In-the-TTIP-a-Detailed-View>. Additional information about the proposed T-TIP can be found at <http://www.ustr.gov/ttip>.

2. Environmental Review

USTR, through the TPSC, will conduct an environmental review of the agreement consistent with Executive Order 13141 (64 FR 63169, Nov. 18, 1999) and its implementing guidelines (65 FR 79442, Dec. 19, 2000). The purpose of environmental reviews is to ensure that policymakers and the public are informed about reasonably foreseeable environmental impacts of trade agreements (both positive and negative), to identify complementarities between trade and environmental objectives, and to help shape appropriate responses if environmental impacts are identified. Reviews are intended to be one tool, among others, for integrating environmental information and analysis into the fluid, dynamic process of trade negotiations. USTR and the Council on Environmental Quality jointly oversee implementation of the Executive Order and its implementing guidelines. USTR, through the TPSC, is responsible for conducting the individual reviews. Additional background information and examples of prior environmental reviews are available at: <http://www.ustr.gov/trade-topics/environment/environmental-reviews>.

3. Requirements for Submissions

Persons submitting comments must do so in English and must identify (on the first page of the submission) "Comments Regarding the T-TIP Environmental Review." In order to be assured of consideration, comments should be submitted by September 2, 2014. In order to ensure the timely receipt and consideration of comments, USTR strongly encourages commenters to make on-line submissions, using the www.regulations.gov Web site. To submit comments via www.regulations.gov, enter docket number USTR 2014-0012 on the home page and click "search." The site will provide a search-results page listing all documents associated with this docket. Find a reference to this notice and click on the link entitled "Comment Now!" (For further information on using the www.regulations.gov Web site, please consult the resources provided on the Web site by clicking on "How to Use This Site" on the left side of the home page).

The www.regulations.gov Web site allows users to provide comments by filling in a "Type Comment" field, or by attaching a document using an "Upload File" field. USTR prefers that comments be provided in an attached document. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If the submission is in an application other than those two, please indicate the name of the application in the "Type Comment" field. For any comments submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters "BC". Any page containing business confidential information must be clearly marked "BUSINESS CONFIDENTIAL" on the top of that page. Filers of submissions containing business confidential information must also submit a public version of their comments. The file name of the public version should begin with the character "P". The "BC" and "P" should be followed by the name of the person or entity submitting the comments. Filers submitting comments containing no business confidential information should name their file using the name of the person or entity submitting the comments.

Please do not attach separate cover letters to electronic submissions; rather, include any information that might appear in a cover letter in the submission itself. Similarly, to the extent possible, please include any exhibits, annexes, or other attachments in the same file as the submission itself, not as separate files.

As noted, USTR strongly urges submitters to file comments through the www.regulations.gov Web site if at all possible. Any alternative arrangements must be made with Ms. Jamison in advance of transmitting a comment. Ms. Jamison may be contacted at (202) 395-3475. General information concerning USTR is available at www.ustr.gov.

Comments will be placed in the docket and open to public inspection, except business confidential information. Comments may be viewed on the www.regulations.gov Web site by entering the relevant docket number in the search field on the home page.
