

## Filing Information

As a courtesy, we are making information related to Sunset proceedings, including copies of the Department's regulations regarding Sunset Reviews (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department's schedule of Sunset Reviews, case history information (*i.e.*, previous margins, duty absorption determinations, scope language, import volumes), and service lists available to the public on the Department's sunset Internet website at the following address: "<http://ia.ita.doc.gov/sunset/>." All submissions in these Sunset Reviews must be filed in accordance with the Department's regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303.

Pursuant to 19 CFR 351.103(c), the Department will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition as interested parties to a proceeding contact the Department in writing within 10 days of the publication of the Notice of Initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304–306.

## Information Required from Interested Parties

Domestic interested parties (defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b)) wishing to participate in these Sunset Reviews must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the orders without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic

interested party, the Department's regulations provide that all parties wishing to participate in the Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the

Department's information requirements are distinct from the Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of Sunset Reviews.<sup>1</sup> Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: February 23, 2006.

## DEPARTMENT OF COMMERCE

### National Institute of Standards and Technology

### Proposed Information Collection; Comment Request; Generic Clearance for Program Evaluation Data Collections

**ACTION:** Notice.

**SUMMARY:** The Department of Commerce (DOC), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to comment on the continuing and proposed information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104–13 (44 U.S.C. 3506(c)(2)(A)).

<sup>1</sup> In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

**DATES:** Written comments must be submitted on or before May 1, 2006.

**ADDRESSES:** Direct all written comments to Diana Hynek, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at [dHynek@doc.gov](mailto:dHynek@doc.gov)).

**FOR FURTHER INFORMATION CONTACT:** Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Ami Carbaugh, Management Analyst, NIST, 100 Bureau Drive MS 1710, Gaithersburg, MD 20899–1710, telephone 301–975–4064 or via e-mail to [ami.carbaugh@nist.gov](mailto:ami.carbaugh@nist.gov).

## SUPPLEMENTARY INFORMATION:

### I. Abstract

In accordance with Executive Order 12862, the National Institute of Standards and Technology (NIST), a non-regulatory agency of the Department of Commerce, proposes to conduct a number of surveys—both quantitative and qualitative—designed to evaluate our current programs from a customer's perspective. NIST proposes to perform program evaluation data collections by means of, but not limited to, focus groups, reply cards that accompany product distributions, and Web-based surveys and dialogue boxes that offer customers the opportunity to express their views on the programs they are asked to evaluate. NIST will limit its inquiries to data collections that solicit strictly voluntary opinions and will not collect information that is required or regulated. Steps will be taken to assure anonymity of respondents in each activity covered under this request.

### II. Method of Collection

NIST will collect this information by mail, fax, electronically, telephone, and person-to-person sessions.

### III. Data

*OMB Number:* 0693–0033.

*Form Numbers:* None.

*Type of Review:* Regular submission.

*Affected Public:* Business or other for-profit organizations, not-for-profit institutions, individuals or households, Federal Government, State, Local, or Tribal Government.

*Estimated Number of Respondents:* 12,000.

*Estimated Time Per Response:* Varied, dependent upon the data collection. The response time may vary from two minutes for a response card to two hours for focus group participation. The average response time is expected to be 30 minutes.

*Estimated Total Annual Respondent Burden Hours: 3,022.*

*Estimated Total Annual Respondent Cost Burden: \$0.*

#### IV. Request for Comments

*Comments are invited on:* (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, *e.g.*, the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized or included in the request for OMB approval of this information collection; they also will become a matter of public record.

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

In accordance with Executive Order 12862, the National Institute of Standards and Technology (NIST), a non-regulatory agency of the Department of Commerce, proposes to conduct a number of data collection efforts—both quantitative and qualitative—to determine requirements and evaluate usability and utility of NIST research for measurement and standardization work. These data collection efforts may include, but may not be limited to electronic methodologies, empirical studies, video and audio data collections, interviews, and questionnaires. For example, data collection efforts will be conducted at search and rescue training exercises for rescue workers using robots. Other planned data collection efforts include evaluations of software for use by the intelligence community. Participation will be strictly voluntary. The regulated information will not be collected. The results of the data collected will be used to guide NIST research. Steps will be taken to ensure anonymity of respondents in each activity covered under this request.

##### II. Method of Collection

NIST will collect this information by electronic means when possible, as well as by mail, fax, telephone, and person-to-person interviews.
