Federal Emergency Management Agency

[Docket ID: FEMA-2011-0029; OMB No. 1660-0095]

Agency Information Collection Activities: Proposed Collection; Comment Request; National Flood Insurance Program Claims Appeals Process

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a proposed revision of a currently approved information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning revision of the National Flood Insurance Claims Appeals Process. The appeal process establishes a formal mechanism to allow policyholders to appeal the decisions of any insurance agent, adjuster, insurance company, or any FEMA employee or contractor, in cases or unsatisfactory decisions on claims, proof of loss, and loss estimates.

Under this process, FEMA sends the NFIP Flood Insurance Claims Handbook to the policyholder (upon completion of signed policy), which explains to them the appeals process. If the policyholder wishes to appeal a claims decision, that policyholder may appeal it to FEMA. FEMA will acknowledge receipt of a policyholder's appeal in writing and advise such policyholder if additional information is required in order to fully consider the appeal. FEMA will review the documentation submitted by the policyholder, conduct any necessary additional investigation, and advise, both the policyholder and the appropriate flood insurance carrier, of its decision regarding the appeal.

DATES: Comments must be submitted on or before December 19, 2011.

ADDRESSES: To avoid duplicate submissions to the docket, please use only one of the following means to submit comments:

(1) *Online.* Submit comments at <http://www.regulations.gov> under Docket ID FEMA-2011-0029. Follow the instructions for submitting comments.

SUPPLEMENTARY INFORMATION:

Section 205 of The Bunning-Bereuter-Blumenauer Flood Insurance Reform Act of 2004, Public Law 108-264 Section 205, 42 U.S.C. 4011 note, requires the Federal Emergency Management Agency to establish by regulation an additional process for the appeal of decisions of flood insurance claims issued through the National Flood Insurance Program. FEMA's regulation at 44 CFR 62.20 details the appeals process.

The process requires policyholders to submit a written appeal to the Federal Emergency Management Agency (Mitigation Directorate/Risk Insurance Division), in the form of a signed letter explaining the nature of their claim appeal, names and titles of persons contacted, dates of contact, contact information, and details of the contact relevant to their claim appeal. These

requirements are spelled out to policyholders in the aforementioned NFIP Flood Insurance Claims Handbook. The policyholders are also required to state the basis for their appeal and submit supporting documentation including a copy of the insurer's written denial, in whole or in part, of the claim.
