SUPPLEMENTARY INFORMATION:**I. Background**

The Trade Act of 1974, Section 236(d), as amended, requires the President to submit an annual report to the Congress on the trade agreements program, which includes information on trade adjustment assistance for workers. Furthermore, key workload data on the Trade Adjustment Assistance (TAA) and North American Free Trade Agreement-Transitional Adjustment Assistance (NAFTA-TAA) programs are needed to allocate program and administrative funds to State agencies administering the program for the Secretary. The Trade Adjustment Assistance Reform Act of 2002 amended the Trade Act of 1974. This revision to the ETA 563 (1205-0016 expires 12/02) incorporates changes necessary to accurately reflect the 2002 amendments.

The Trade Act of 1974, Section 231(a)(5)(A), as amended by the Trade Adjustment Assistance Reform Act of 2002, requires participants to be enrolled in training within 16 weeks of their most recent qualifying separation or 8 weeks of the certification covering the worker in order to receive income support. The Trade Act as amended, Section 231(c), allows the enrollment in training requirement to be waived, and provides 6 specific criteria for issuing waivers. Allowable reasons for waiving the training requirement include the worker is expected to be recalled, the worker possesses marketable skills, the worker is within 2 years of retirement, the worker is in poor health, enrollment is not available, and training is not available. The statute requires the State agencies administering the Trade Adjustment Assistance (TAA) program for the Secretary to report to the Secretary on training waivers issued and revoked. The data collected in the reinstated and revised ETA 9027 (1205-0016 expired 11/90) will serve as that
