9. *Title:* Applications, Notices, and Permits Relative to Importation and Exportation of Distilled Spirits, Wine and Beer, Including Puerto Rico and the Virgin Islands.

OMB Number: 1513–0100.

Abstract: Chapter 51 of the IRC imposes Federal excise taxes on alcohol beverages imported into the United States, while exports of such products are not generally subject to tax. In addition, the IRC at 26 U.S.C. 7652 applies an equal tax to such products from Puerto Rico or the U.S. Virgin Islands imported into the United States, but that section also requires deposit of most of the collected taxes to the Treasuries of those islands' governments. As a result, the TTB regulations in 27 parts 26, 27, and 28 require persons exporting or importing alcohol beverages from Puerto Rico and the U.S. Virgin Islands to file certain letterhead applications and notices, and to keep certain records, regarding such activities. The collected information is necessary to ensure that the tax provisions of the IRC related to Puerto Rican and U.S. Virgin Islands products are appropriately applied.

The Office of Economic Policy

Title: Agency Information Collection Activities; Proposed Collection; Comment Request; Application, Evaluation Design Plan, Reports, and

Recordkeeping for the Social Impact Partnerships to Pay for Results Act (SIPPPRA) Grant Program.

Office of Management and Budget (OMB) Control Number: 1505-0260.

Type of Review: Revision of a currently approved collection.

Description: SIPPPRA, enacted February 9, 2018, amends Title XX of the Social Security Act, 42 U.S.C. 1397 et seq., to provide \$100 million in funding to implement social impact partnership projects" (projects) and feasibility studies for such projects. SIPPPRA authorizes the Secretary of the Treasury to enter into award agreements with state or local governments for projects or feasibility studies. Treasury, in consultation with other federal agencies, administers the SIPPPRA grant program.

SIPPPRA authorizes Treasury to conduct a request for proposals for projects, make award determinations, and enter into project award agreements. Treasury intends to publish a Notice of Funding Availability (NOFA) seeking applications for projects and anticipates that ten or more persons will respond to its NOFA announcing availability of funding for SIPPPRA projects.

Although Treasury is asking applicants to use the SF-424 and SF-425 families of common forms for their applications and reports, Treasury also expects to solicit additional detailed information from applicants to effectively and efficiently assess and evaluate whether applications for projects comply with statutory requirements. This request includes only the burden for this additional information. The burden for the SF-424 forms is covered under OMB Control Numbers 4040-0004, 4040-0006, 4040-0007, 4040-0008, 4040-0009, 4040-0010, and 4040-0013. The burden for the SF-425 form is covered under OMB Control Number 4040-0014. The additional information includes the following components:

- SAM.gov registration;
- Notice of Intent to Apply (optional);
- Project Narrative, to include an Executive Summary;
- Project Narrative Attachments, to include project budget, narrative statement addressing partnership agreements, an estimate of the value to the federal government of the interventions being proposed in the project, partner qualifications, independent evaluator qualifications, evaluation design plan, independent evaluator contract, outcome valuation (for which Treasury's SIPPPRA website will provide guidance to assist applicants), legal compliance, and

(optional) additional supporting documentation such as a preexisting feasibility study;

- Treasury Office of Civil Rights and Diversity Assurances and Certifications, Terms and Conditions, and Compliance Data;
- Additional documentation related to Title VI of the Civil Rights Act;
- Copy of application proposing privileged or confidential information to be redacted;
- Administrative Reporting, including a Quarterly Performance Report, Evaluation Progress Reports, and Final Evaluation Report; and
- Records Retention requirements.

Use of the Data

The information collected under this NOFA: (1) Identifies eligible recipients and activities; (2) helps identify which applications sufficiently address all statutory requirements and which proposed projects are the most competitive; (3) determines the appropriate amount of funding; (4) allows evaluation of compliance with SIPPPRA and Federal laws and policies on grants (e.g., *Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards 2 CFR part 200*, (herein *OMB Uniform Guidance*); *Title VI of the Civil Rights Act*); (5) tracks recipients' progress; and (6) collects statutorily mandated reports prepared by recipients' contracted independent evaluators.

The Notice of Intent is optional; it will assist Treasury and the Federal Interagency Council on Social Impact Partnerships (Interagency Council) in estimating the number of applications to be received, and thus, enable them to conduct intake and evaluation of applications as efficiently and economically as possible.

The application Executive Summary will assist Treasury and the Interagency Council in streamlining the processing of applications and in optimizing the eligibility phase of application review. The application standard forms, Project Narrative, and Project Narrative attachment components of the grant application are intended to provide Treasury with the information necessary to properly evaluate and assess whether applications include statutorily mandated information. Additionally, certain components of the application, in particular the evaluation design plan and outcome valuation, will enable the Interagency Council to determine whether to make statutorily mandated certifications regarding the proposed projects.
