 (73 FR 56475), Docket No. FAA–2008–

 The FAA uses the direct final
 rulemaking procedure for a non-
 controversial rule where the FAA
 believes there will be no adverse public
 comment. This direct final rule advised
 the public that no adverse comments
 were anticipated, and that unless a
 written adverse comment, or a written
 notice of intent to submit such an
 adverse comment, were received within
 the comment period, the regulation
 would become effective on January 15,
 2009.

No adverse comments were received,
