SUPPLEMENTARY INFORMATION:

I. Background

Section 4144 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA–LU) (Pub. L. 109–59, August 10, 2005), required the Secretary to establish MCSAC. The MCSAC was established on September 8, 2006, and was most recently renewed on September 29, 2019 for two years. The Committee provides advice and recommendations to the Secretary of Transportation through the Administrator of FMCSA on the needs, objectives, plans, approaches, content, and accomplishments of motor carrier safety programs and regulations. The Agency is required under FACA to appoint members of diverse views and interests to ensure the committee is balanced with appropriate consideration of background.

Under its charter, the Committee is composed of up to 25 members appointed by the Secretary for terms of up to two years, selected from among individuals who are specially qualified to represent the interests and opinions of the motor carrier industry, safety advocates, labor, and safety enforcement officials. Members of a single enumerated interest group may not constitute a majority.

Committee members serve without pay. Members may be entitled to reimbursement of expenses relating to per diem, and travel when attending meetings of the Committee as authorized under Section 5703 of Title 5, United States Code and the Federal Travel Regulation, 41 CFR part 301. FMCSA anticipates holding Committee meetings two to three times each year. Meetings are open to the public, except as provided under the Federal Advisory

Individuals appointed solely for their expertise will be appointed as SGEs. Individuals selected to serve as SGEs are subject to certain Federal conflict of interest laws and will be required to meet applicable financial disclosure and ethics training requirements. Committee members must not be officers or employees of the Federal Government.

Committee members must be able to attend two to three meetings each year, either by videoconference or in person. Interested persons should have a commitment to transportation safety, knowledge of transportation issues, experience on panels that deal with transportation safety, and a record of collaboration and professional experience on CMV safety issues. For further information about MCSAC, including reports, meeting minutes, and membership information, please visit the website at www.fmcsa.dot.gov/mcsac.
