

Dongbu Steel Co., Ltd. (Dongbu Steel) and Dongbu Incheon Steel Co., Ltd. (Dongbu Incheon) for purposes of determining antidumping duty (AD) cash deposits and liabilities pursuant to the AD orders on certain cold-rolled steel flat products (cold-rolled steel) and certain corrosion-resistant steel products (CORE) from the Republic of Korea (Korea). Additionally, Commerce continues to find KG Dongbu Steel is not the successor-in-interest to Dongbu Steel and Dongbu Incheon for purposes of countervailing duty (CVD) cash deposits and liabilities pursuant to the CVD orders on cold-rolled steel and CORE, because there was a significant change in ownership and operations that could have affected the nature and extent of the countervailable subsidies attributable to KG Dongbu Steel.

DATES: Applicable February 23, 2021.

SUPPLEMENTARY INFORMATION:

Background

On January 5, 2021, Commerce published the *Preliminary Results* of the changed circumstances reviews (CCRs) of the AD and CVD orders on cold-rolled steel and CORE from Korea.¹ In the *Preliminary Results*, interested parties were provided an opportunity to comment and request a public hearing regarding our preliminary findings. We received no comments from interested parties, nor was a public hearing requested.

Scope of the Orders

The products covered by these CCRs are cold-rolled steel and CORE from Korea. For full descriptions of the scope of the orders, *see* the *Preliminary Results* and accompanying Preliminary Decision Memorandum.

Final Results of the Changed Circumstances Reviews

For the reasons stated in the *Preliminary Results*, and because we received no comments from interested parties, Commerce continues to find that KG Dongbu Steel is the successor-in-interest to Dongbu Steel and Dongbu Incheon for AD purposes. As a result of

this determination, we find it appropriate to apply to KG Dongbu Steel AD cash deposits requirements and liabilities at the rates currently in effect for Dongbu Steel/Dongbu Incheon. For CVD purposes, we continue to find that changes in ownership and management were significant and, thus, that it is not appropriate to apply the CVD cash deposit requirements and liabilities currently in effect for Dongbu Steel/Dongbu Incheon to KG Dongbu Steel.

Commerce will instruct U.S. Customs and Border Protection to suspend liquidation of all shipments of subject merchandise produced or exported by KG Dongbu Steel and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register** at the current antidumping duty cash-deposit rate on cold-rolled steel and CORE in effect for Dongbu Steel/Dongbu Incheon. This cash deposit requirement shall remain in effect until further notice.

Notification to Interested Parties

This notice is published in accordance with sections 751(b)(1) and 777(i)(1) of the Act and 19 CFR 351.216(b), 351.221(b) and 351.221(c)(3).

Dated: February 17, 2021.

Christian Marsh,

Acting Assistant Secretary for Enforcement and Compliance.

We invite interested parties to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On January 17, 2020, Commerce initiated this administrative review of the antidumping duty order on certain hot-rolled steel flat products (hot-rolled steel) from Australia in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).¹ This review covers one producer/exporter of subject merchandise, the collapsed entity, BlueScope Steel (AIS) Pty Ltd., BlueScope Steel Ltd., and BlueScope Steel Distribution Pty Ltd. (collectively, BlueScope). On April 24, 2020, Commerce exercised its discretion to toll all deadlines for administrative reviews by 50 days, resulting in a revised deadline for these preliminary results.² On July 21, 2020, Commerce again tolled all deadlines in administrative reviews by an additional 60 days.³ Additionally, Commerce exercised its discretion to extend the deadline for the preliminary results until February 17, 2021.⁴

Scope of the Order

The products covered by this *Order*⁵ are certain hot-rolled, flat-rolled steel products. For a full description of the scope, *see* the Preliminary Decision Memorandum.⁶

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Act. Constructed export price is

For a full description of the methodology underlying these preliminary results, *see* the Preliminary Decision Memorandum. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum is available at <http://enforcement.trade.gov/frn/>. A list of the topics included in the Preliminary Decision Memorandum is included as an appendix to this notice.

Intent To Rescind Review in Part

In the *Initiation Notice*, Commerce inadvertently included as subject to the review a U.S. company, *i.e.*, AJU Steel USA Inc., for which a review should not have been initiated. As such, Commerce intends to rescind the review with respect to AJU Steel USA Inc. After the completion of the final results of review, Commerce intends to instruct CBP to assess antidumping duties on any suspended entries of hot-rolled steel from AJU Steel USA Inc. at the rate equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse for consumption.

Preliminary Results of Review

We preliminarily determine that the following weighted-average dumping margin exists for the period October 1, 2018, through September 30, 2019:

Exporter/producer	Weighted-average dumping margin (percent)
BlueScope Steel (AIS) Pty Ltd, BlueScope Steel Ltd., and BlueScope Steel Distribution Pty Ltd	7.96

Disclosure and Public Comment

We intend to disclose the calculations performed to parties within five days after public announcement of the preliminary results.⁷ Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed

not later than seven days after the date for filing case briefs.⁸ Commerce modified certain of its requirements for serving documents containing business proprietary information until further notice.⁹ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.¹⁰ Case and rebuttal briefs should be filed using ACCESS¹¹ and must be served on interested parties.¹² Executive summaries should be limited to five pages total, including footnotes.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Assessment Rates

Upon completion of the final results, Commerce shall determine, and Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If BlueScope's weighted-average dumping margin is above *de minimis* in the final results of this review, we will calculate an importer-specific assessment rate on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered

value of those same sales in accordance with 19 CFR 351.212(b)(1).¹³ If BlueScope's weighted-average dumping margin or an importer-specific assessment rate is zero or *de minimis*, in the final results of review, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.¹⁴ The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁵

For entries of subject merchandise during the POR produced by BlueScope for which it did not know that the merchandise was destined to the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the **Federal Register** of the notice of final results of administrative review for all shipments of hot-rolled steel from Australia entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for BlueScope will be equal to the weighted-average dumping margin established in the final results of this administrative review; (2) for merchandise exported by a company not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221.

Electrolytic Manganese Dioxide From the People's Republic of China: Preliminary Rescission of the Antidumping Duty Administrative Review; 2018–2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is preliminarily rescinding this administrative review. The period of review (POR) is October 1, 2018,

through September 30, 2019. Interested parties are invited to comment on this preliminary rescission.

DATES: Applicable February 23, 2021.

FOR FURTHER INFORMATION CONTACT: Krishna Hill, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4037.

SUPPLEMENTARY INFORMATION:

Background

On December 11, 2019, Commerce published a notice of initiation of the 2018–2019 administrative review of the antidumping duty (AD) order on electrolytic manganese dioxide (EMD) from the People's Republic of China (China) with respect to one company, Duracell (China) Limited (DCL).¹ Commerce subsequently issued an AD questionnaire, and supplemental questionnaires, to DCL and received timely responses thereto. For additional background, *see* the Preliminary Decision Memorandum.²

Scope of the Order

The merchandise covered by the order includes all manganese dioxide (MnO₂) that has been manufactured in an electrolysis process, whether in powder, chip, or plate form. Excluded from the scope are natural manganese dioxide (NMD) and chemical manganese dioxide (CMD). The merchandise subject to the order is classified in the Harmonized Tariff Schedule of the United States (HTSUS) at subheading 2820.10.00.00. While the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). For a full description of the methodology underlying our decision, *see* the Preliminary Decision Memorandum. A list of the sections in the Preliminary Decision Memorandum is attached in the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file

ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Rescission of the Antidumping Duty Administrative Review

As discussed in the Preliminary Decision Memorandum, Commerce preliminarily finds that DCL, and its U.S. affiliates, did not sell subject merchandise to unaffiliated U.S. customers during the POR and could not trace the POR entry of EMD, which was used to manufacture batteries in the United States, to particular battery sales to unaffiliated U.S. customers.³ Therefore, we are preliminarily rescinding this review, in accordance with 19 CFR 351.213(d)(3).

Public Comment

Interested parties are invited to comment on the preliminary results of this review. Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs no later than 30 days after the date of publication of this notice in the **Federal Register**. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the deadline for filing case briefs.⁴ Parties who submit case or rebuttal briefs are requested to submit with each brief: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.⁵ Executive summaries should be limited to five pages total, including footnotes.⁶ All submissions, with limited exceptions, must be filed electronically using ACCESS.⁷ Electronically filed documents must be received successfully in their entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time (ET) on the due date.
