## SECURITIES AND EXCHANGE COMMISSION

### Proposed Collection; Comment Request

Upon Written Request, Copies Available from: U.S. Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

#### Extension:

Rule 12f-3, OMB Control No. 3235-0249, SEC File No. 270-141.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit the existing collection of information to the Office of Management and Budget for extension and approval.

#### • Rule 12f-3 (17 CFR 240.12f-3)—Termination or Suspension of Unlisted Trading Privileges

Rule 12f-3 (the "Rule"), which was originally adopted in 1934 pursuant to Sections 12(f) and 23(a) of the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Act"), as modified in 1995, prescribes the information which must be included in applications for and notices of termination or suspension of unlisted trading privileges for a security as contemplated in Section 12(f)(4) of the Act. An application must provide, among other things, the name of the applicant; a brief statement of the applicant's interest in the question of termination or suspension of such unlisted trading privileges; the title of the security; the name of the issuer; certain information regarding the size of the class of security and its recent trading history; and a statement indicating that the applicant has provided a copy of such application to the exchange from which the suspension or termination of unlisted trading privileges are sought, and to any other exchange on which the security is listed or admitted to unlisted trading privileges.

The information required to be included in applications submitted pursuant to Rule 12f-3, is intended to provide the Commission with sufficient information to make the necessary findings under the Act to terminate or

suspend by order the unlisted trading privileges granted a security on a national securities exchange. Without the Rule, the Commission would be unable to fulfill these statutory responsibilities.

The burden of complying with Rule 12f-3 arises when a potential respondent, having a demonstrable bona fide interest in the question of termination or suspension of the unlisted trading privileges of a security, determines to seek such termination or suspension. The staff estimates that each such application to terminate or suspend unlisted trading privileges requires approximately one hour to complete. Thus each potential respondent would incur on average one burden hour in complying with the Rule.

The Commission staff estimates that there could be as many as 11 responses annually and that each respondent's related cost of compliance with Rule 12f-3 would be \$168.00, or, the cost of one hour of professional work needed to complete the application. The total annual related reporting cost for all potential respondents, therefore, is \$1,848.00 (11 responses × \$168.00/response).

Compliance with the application requirements of Rule 12f-3 is mandatory, though the filing of such applications is undertaken voluntarily. Rule 12f-3 does not have a record retention requirement *per se*. However, responses made pursuant to Rule 12f-3 are subject to the recordkeeping requirements of Rules 17a-3 and 17a-4 of the Act. Information received in response to Rule 12f-3 shall not be kept confidential; the information collected is public information.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Comments should be directed to Lewis W. Walker, Acting Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley

Martinson, 6432 General Green Way, Alexandria, VA 22312 or send an e-mail to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).

Dated: October 1, 2008.

#### Extension:

Rule 24b-1, OMB Control No. 3235-0194, SEC File No. 270-205.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

#### • Rule 24b-1 (17 CFR 240.24b-1)—Documents to be Kept Public by Exchanges.

Rule 24b-1 under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) requires a national securities exchange to keep and make available for public inspection a copy of its registration statement and exhibits filed with the Commission, along with any amendments thereto.

There are eleven national securities exchanges that spend approximately one half hour each complying with this rule, for an aggregate total compliance burden of five and one half hours per year. The staff estimates that the average cost per respondent is \$65.18 per year, calculated as the costs of copying (\$13.97) plus storage (\$51.21), resulting in a total cost of compliance for the respondents of \$716.98.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and
