BILLING CODE 7510-13-P

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice 04-140]

Notice of Establishment of a NASA Advisory Committee, Pursuant to the Federal Advisory Committee Act, 5 U.S.C. App 1 et seq.

Agency: National Aeronautics and Space Administration (NASA).

Explanation of Need: The Administrator of the National Aeronautics and Space Administration has determined that the establishment of a NASA International Space Station Strategic Roadmap Committee is necessary and in the public interest in connection with the performance of duties imposed upon NASA by law. This determination follows consultation with the Committee Management Secretariat, General Services Administration.

Name of Committee: NASA International Space Station Strategic Roadmap Committee.

Purpose and Objective: The Committee will advise the NASA Administrator on completing assembly of the International Space Station and on focusing research to support space exploration goals, with emphasis on understanding how the space environment affects human health and capabilities, and developing countermeasures. The Committee will draw on the expertise of its members and other sources to provide its advice and recommendations to the Agency. The Committee will hold meetings and make site visits as necessary to accomplish their responsibilities. The Committee will function solely as an advisory board and will comply fully with the provisions of the Federal Advisory Committee Act.

Lack of Duplication of Resources: The Committee's functions cannot be

performed by the agency, another existing committee, or other means such as a public meeting.

Fairly Balanced Membership: The Committee will consist of a balance of experts from within the government, private industry, and academia. In addition, there may be additional experts selected for Subcommittees or Task Forces. Members of the Committee, Subcommittee or Task Forces will be chosen from among industry, academia, and government with recognized knowledge and expertise in specific areas across the NASA portfolio. Total membership will reflect a fairly balanced view.

Duration: Ad hoc.

Responsible NASA Official: Dr. Marc Allen, Advanced Planning and Integration Office, National Aeronautics and Space Administration, 300 E Street, SW., Washington, DC 20546, telephone (202) 358-2373.

P. Diane Rausch,

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice (04-133)]

Notice of Establishment of a NASA Advisory Committee, Pursuant to the Federal Advisory Committee Act, 5 U.S.C. App 1 et seq.

AGENCY: National Aeronautics and Space Administration (NASA).

Explanation of Need: The Administrator of the National Aeronautics and Space Administration has determined that the establishment of a NASA Nuclear Systems Strategic Roadmap Committee is necessary and in the public interest in connection with the performance of duties imposed upon NASA by law. This determination follows consultation with the Committee Management Secretariat, General Services Administration.

Name of Committee: NASA Nuclear Systems Strategic Roadmap Committee.

Purpose and Objective: The Committee will advise the NASA Administrator on utilization of nuclear systems for the advancement of space science and exploration. The Committee will draw on the expertise of its members and other sources to provide its advice and recommendations to the Agency. The Committee will hold meetings and make site visits as necessary to accomplish their

responsibilities. The Committee will function solely as an advisory board and will comply fully with the provisions of the Federal Advisory Committee Act.

Lack of Duplication of Resources: The Committee's functions cannot be performed by the agency, another existing committee, or other means such as a public meeting.

Fairly Balanced Membership: The Committee will consist of a balance of experts from within the government, private industry, and academia. In addition, there may be additional experts selected for Subcommittees or Task Forces. Members of the Committee, Subcommittee or Task Forces will be chosen from among industry, academia, and government with recognized knowledge and expertise in specific areas across the NASA portfolio. Total membership will reflect a fairly balanced view.

Duration: Ad hoc.

Responsible NASA Official: Dr. Marc Allen, Advanced Planning and Integration Office, National Aeronautics and Space Administration, 300 E Street, SW., Washington, DC 20546, telephone (202) 358-2373.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice (04-144)]

Notice of Establishment of a NASA Advisory Committee, Pursuant to the Federal Advisory Committee Act, 5 U.S.C. App 1 et seq.

AGENCY: National Aeronautics and Space Administration (NASA).

Explanation of Need: The Administrator of the National Aeronautics and Space Administration has determined that the establishment of a NASA Robotic and Human Lunar Exploration Strategic Roadmap Committee is necessary and in the public interest in connection with the performance of duties imposed upon NASA by law. This determination follows consultation with the Committee Management Secretariat, General Services Administration.

Name of Committee: NASA Robotic and Human Lunar Exploration Strategic Roadmap Committee.

Purpose and Objective: The Committee will advise the NASA Administrator on undertaking robotic

and human exploration of the Moon to further science and to enable sustained human and robotic exploration of Mars and other destinations. The Committee will draw on the expertise of its members and other sources to provide its advice and recommendations to the Agency. The Committee will hold meetings and make site visits as necessary to accomplish their responsibilities. The Committee will function solely as an advisory board and will comply fully with the provisions of the Federal Advisory Committee Act.

Lack of Duplication of Resources: The Committee's functions cannot be performed by the agency, another existing committee, or other means such as a public meeting.

Fairly Balanced Membership: The Committee will consist of a balance of experts from within the government, private industry, and academia. NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice (04-143)]

Notice of Establishment of a NASA Advisory Committee, Pursuant to the Federal Advisory Committee Act, 5 U.S.C. App 1 et seq.

AGENCY: National Aeronautics and Space Administration (NASA).

Explanation of Need: The Administrator of the National Aeronautics and Space Administration has determined that the establishment of a NASA Solar System Exploration Strategic Roadmap Committee is necessary and in the public interest in connection with the performance of duties imposed upon NASA by law.

This determination follows consultation with the Committee Management Secretariat, General Services Administration.

Name of Committee: NASA Solar System Exploration Strategic Roadmap Committee.

Purpose and Objective: The Committee will advise the NASA Administrator on conducting robotic exploration across the solar system to search for evidence of life, to understand the history of the solar system, to search for resources, and to support human exploration. The Committee will draw on the expertise of its members and other sources to provide its advice and recommendations to the Agency. The Committee will hold meetings and make site visits as necessary to accomplish their responsibilities. The Committee will function solely as an advisory board and will comply fully with the provisions of the Federal Advisory Committee Act.

Lack of Duplication of Resources: The Committee's functions cannot be performed by the agency, another existing committee, or other means such as a public meeting.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice 04-139]

Notice of Establishment of a NASA Advisory Committee, Pursuant to the Federal Advisory Committee Act, 5 U.S.C. App 1 et seq.

AGENCY: National Aeronautics and Space Administration (NASA).

Explanation of Need: The Administrator of the National Aeronautics and Space Administration has determined that the establishment of a NASA Space Shuttle Strategic Roadmap Committee is necessary and in the public interest in connection with the performance of duties imposed upon NASA by law. This determination follows consultation with the Committee Management Secretariat, General Services Administration.

Name of Committee: NASA Space Shuttle Strategic Roadmap Committee.

Purpose and Objective: The Committee will advise the NASA Administrator on returning the Space Shuttle to flight, completing assembly of the International Space Station, and safely transitioning from the Space Shuttle to a new exploration transportation system. The Committee will draw on the expertise of its members and other sources to provide its advice and recommendations to the Agency. The Committee will hold meetings and make site visits as necessary to accomplish their responsibilities. The Committee will function solely as an advisory board and will comply fully with the provisions of the Federal Advisory Committee Act.

Lack of Duplication of Resources: The Committee's functions cannot be performed by the agency, another existing committee, or other means such as a public meeting.
