General description of report: This information collection is mandatory by the Federal Reserve Act (12 U.S.C. 248(a), 461, 603, and 615) and Regulation D (12 CFR part 204). The data are given confidential treatment (5 U.S.C. 552(b)(4)).

Abstract: Institutions with net transaction accounts greater than the exemption amount are called nonexempt institutions. Institutions with total transaction accounts, savings deposits, and small time deposits greater than or equal to the reduced reporting limit, regardless of the level of their net transaction accounts, are also referred to as nonexempt institutions. Nonexempt institutions submit FR 2900 data either weekly or quarterly. An institution is required to report weekly if its total transaction accounts, savings deposits, and small time deposits are greater than or equal to the nonexempt deposit cutoff. If the nonexempt institution's total transaction accounts, savings deposits, and small time deposits are less than the nonexempt deposit cutoff then the institution must report quarterly or may elect to report weekly.
