SUPPLEMENTARY INFORMATION:

Background

On September 3, 2019, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty (AD) order on OCTG from India.¹ On September 30, 2019, Maverick Tube Corporation, Tenaris Bay City, Inc., TMK IPSCO, Vallourec Star, L.P., Welded Tube USA, and United States Steel Corporation (collectively, the domestic interested parties) timely requested that Commerce conduct an

administrative review of JSL.² We received no other requests for review. On November 12, 2019, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the *Order* with respect to JSL, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).³

On April 1, 2020, Commerce issued its initial AD questionnaire to JSL,⁴ and on April 20, 2020, JSL notified Commerce that it had no sales, shipments, or entries of subject merchandise during the POR.⁵ On May 28, 2020, Commerce issued a no shipment inquiry to U.S. Customs and Border Protection (CBP) to corroborate JSL's claim.⁶ On June 9, 2020, Commerce notified all interested parties that CBP found no evidence of shipments of subject merchandise produced and/or exported by JSL during the POR and established a period for comments regarding CBP's findings.⁷ No parties submitted comments concerning CBP's findings.

Scope of the Order

The merchandise covered by the *Order* is OCTG, which are hollow steel products of circular cross-section, including oil well casing and tubing, of iron (other than cast iron) or steel (both carbon and alloy), whether seamless or welded, regardless of end finish (e.g., whether or not plain end, threaded, or threaded and coupled) whether or not conforming to American Petroleum Institute (API) or non-API specifications, whether finished (including limited service OCTG products) or unfinished (including green tubes and limited service OCTG products), whether or not thread protectors are attached. The scope of the *Order* also covers OCTG coupling stock.

Excluded from the scope of the *Order* are: casing or tubing containing 10.5 percent or more by weight of chromium; drill pipe; unattached couplings; and unattached thread protectors.

Preliminary Determination of No Shipments

Because JSL timely filed a statement reporting that they made no shipments of subject merchandise to the United States during the POR, and we were able to confirm this claim with CBP, we preliminarily determine that JSL had no shipments of subject merchandise during the POR.⁸ Consistent with Commerce's practice, we are not preliminarily rescinding the review

Public Comment

Case and rebuttal briefs must be filed electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) and must also be served on interested parties.¹² Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹³ ACCESS is available to registered users at <http://access.trade.gov>. An electronically filed document must be received successfully in its entirety by 5:00 p.m. Eastern Time on the date that the document is due.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via Commerce's electronic records system, ACCESS. An electronically filed request must be received successfully in its entirety by 5:00 p.m. Eastern Time within 30 days of the date of publication of this notice.¹⁴ Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to those

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any case or rebuttal briefs, no later than 120 days after the date of publication of this notice, unless extended.¹⁶

Assessment Rates

If we continue to find, in the final results, that JSL had no shipments of subject merchandise, for entries of subject merchandise during the POR produced by JSL for which the company did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate these entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁷

Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for JSL will remain unchanged from the rate assigned to them in the most recently completed segment for the company;¹⁸ (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment; (3) if the exporter is not a firm covered in a prior review, or the original investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers

or exporters will continue to be zero percent, the all-others cash deposit rate established in the less-than-fair-value investigation.¹⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(4).

Dated: July 16, 2020.
