

rule, including those rules pertaining to qualifications, obligations and rights of Market Makers.

As previously stated, this proposed rule change is consistent with rules governing MMATs on NYSE Arca, Inc. Other rules related to MMATs on NYSE Amex and NYSE Arca are substantially similar. This rule change which authorizes MMATs to submit electronic quotes and orders on behalf of all types of Market Makers will further harmonize the rules of the two exchanges.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

June 30, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act") ¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 25, 2010, NYSE Arca, Inc. and on the Commission's Web site at <http://www.sec.gov>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, the Exchange aggregates all of an OTP Holder's volume at the trading permit level for purposes of the Firm Proprietary Manual fee caps. Recently, certain OTP Holders have requested that the Firm Proprietary Manual fee caps be calculated at the initiating firm level. By this filing, the Exchange proposes to allow its OTP Holders to elect to have their Firm Proprietary Manual billing calculated at the initiating firm level for purposes of the fee cap. The Exchange's default billing will continue to aggregate volume at the trading permit level, and OTP Holders must elect this new billing option. If elected, this option will allow Joint Back Office operations to pass-through the pricing associated with the caps at NYSE Arca more effectively. The Exchange believes this proposed elective billing option is reasonable and equitable and applies uniformly to all OTP Holders.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Securities Exchange Act of 1934 (the "Act"),⁴ in general, and Section 6(b)(4) of the Act,⁵ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. This proposed elective billing option is reasonable and equitable and applies uniformly to all OTP Holders. If elected, this option will allow Joint Back Office operations to pass-through the pricing

associated with the caps at NYSE Arca more effectively.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁶ of the Act and subparagraph (f)(2) of Rule 19b-4⁷ thereunder, because it establishes a due, fee, or other charge imposed by NYSE Arca on its members.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method.
