

levels of public use and visitor facility development would remain at each Refuge. Washita Refuge would continue to offer waterfowl and deer hunts and would maintain the Centennial Trail, and several other interpretive signs and visitor access parking areas. Optima Refuge would continue to offer upland game and deer archery hunts and passive recreation with extremely limited developed facilities. Under Alternative 2, both Refuges would be closed to the public. Under Alternative 3, the proposed action, Washita Refuge would evaluate additional hunt opportunities, develop a primitive hiking trail with interpretive signs, develop additional interpretive signage, and develop a visitor center on the Refuge administrative site. Optima Refuge would develop additional interpretive signage at existing parking areas. Curriculum materials and other educational and interpretive outreach resources would be developed and distributed to schools and other institutions in the towns surrounding each Refuge. Under Alternative 4, public use opportunities at both Refuges would be maximized. In addition to the programs and features proposed under Alternative 3, Washita NWR would develop additional vehicular access and parking areas, a canoe trail along the Washita River with parking at put-in and take-out points, and 5 miles of interpreted hiking trails. Optima NWR would develop two wildlife viewing platforms overlooking the Refuge and a marked hiking trail with interpretive signage.

Public Availability of Comments

Before including your address, telephone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. We will make all comments part of the official public record. We will handle requests for such comments in accordance with the Freedom of Information Act, NEPA, and Service and Departmental policies and procedures.

Dated: July 26, 2007.

Christopher T. Jones,

Acting Regional Director, U.S. Fish and Wildlife Service, Albuquerque, New Mexico.

BILLING CODE 4310-55-P

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Receipt of Application of Endangered Species Recovery Permits

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability and receipt of application.

SUMMARY: We announce our receipt of an application to conduct certain activities pertaining to enhancement of survival of endangered species.

DATES: Written comments on this request for a permit must be received by October 17, 2007.

ADDRESSES: Written data or comments should be submitted to the U.S. Fish and Wildlife Service, Assistant Regional Director, Fisheries-Ecological Services, P.O. Box 25486, Denver Federal Center, Denver, Colorado 80225-0486; facsimile 303-236-0027. Documents and other information submitted with these applications are available for review, subject to the requirements of the Privacy Act [5 U.S.C. 552A] and Freedom of Information Act [5 U.S.C. 552], by any party who submits a request for a copy of such documents within 30 days of the date of publication of this notice to Kris Olsen, by mail or by telephone at 303-236-4256. All comments received from individuals become part of the official public record.

SUPPLEMENTARY INFORMATION: The following applicant has requested issuance of an enhancement of survival permit to conduct certain activities with endangered species pursuant to section 10(a)(1)(A) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*).

Applicant: Arizona Game and Fish Department, Phoenix, Arizona, TE-163125. The applicant requests a permit to take black-footed ferret (*Mustela nigripes*) in conjunction with recovery activities throughout the species' range for the purpose of enhancing its survival and recovery.

Dated: August 24, 2007.

James J. Slack,

Acting Regional Director, Denver, Colorado.
